## President To Recuperate At Gettysburg Farm

The Denver White House has announced it is a good guess at this point that President Eisenhower will leave the hospital November 11 for Washington, two days after a visit from President Carlos Castillo-Armas of Guatemala.

Presidential Press Secretary James C. Hagerty told reporters the November 11 date has been discussed among Eisenhower's doctors and with the Chief Executive and Mrs. Eisenhower.

He said that "it's a good guess" for the departure time but that a final decision will not be made until Dr. Paul Dudley White, Boston heart specialist, and the other physicians have examined Eisenhower this week end.

As things stand now, the Chief Executive, well on the road to recovery from a September 24 heart attack, would board his plane, the Columbine III, some time the morning of November 11, arrive in Washington around mid-afternoon and spend the week end there before going on for further convalescence at his Gettysburg, Pa., farm.

Castillo-Armas arrived in Washington Monday on a state visit to the United States in response to an invitation extended by Eisenhower prior to his September 24 heart attack. The meeting here will substitute for formalities that had been planned at the White House.

Full military honors will be accorded Castillo-Armas both on his arrival here at Lowrey Air Force Base and at the hospital where Eisenhower is moving steadily along the road to recovery.

## Cancer Society Names Committees

The executive committee of the Greene County Unit of the American Cancer Society met Monday evening in the society's offices.

Committees to serve for the year 1955-1956 were named as follows:

Service Committee—A. J. Patterson, M. D., chairman; W. B. Clendenning, M. D., Mrs. Joseph M. Doody, R. N.

Lay Education—Mrs. Worthy R. Scott, chairman; Mrs. Jack Williams.

Professional Education—D. C. Longanecker, chairman; Stanley S. Manifold.

Publicity—Mrs. L. K. McMullen.

Reports from the annual state meeting were given by Harry S. Anderson and Mrs. Cecil O. Riggs, county captain. Those attending the meetings from Greene County were Dr. and Mrs. A. J. Patterson, Dr. and Mrs. F. L. Conwell, Mrs. Lillian Taylor, executive secretary; Mrs. Riggs and Mr. Anderson.

Announcement was made that Fred Waring will be the state chairman for the 1956 Cancer Crusade.

Harry S. Anderson of Waynesburg, will head the crusade in Greene County.

The executive secretary, Mrs. Taylor, reported that sizeable contributions to the Cancer Society had been received from friends of deceased persons in this community. The contributions were made as memorials to J. Lafayette Hughes, Thomas C. Landon, and Mrs. Blanche Solczak of Pittsburgh.

The Cancer Society has provided the opportunity for friends and relatives to give contributions in memory of the deceased. These contributions are used by the society for its work in cancer education and cancer research.

Friends and relatives of J. Lafayette Hughes contributed the sum of \$204.00 as a memorial in his memory to the Greene County Unit of the American Cancer Society. This money is put to its fullest use in assisting in the fight to save lives from cancer. Such memorials may be sent to the Greene County Unit of the American Cancer Society in the First National Bank building, Waynesburg. A card of appreciation will be sent to the donor, and a card will be sent to the members of the deceased's family informing them of the donor and expressing sympathy.

## 18,000 Called Up In Draft For December

—Washington—

The Defense Department has issued a draft call for 18,000 men in December—8,000 for the Army and the remainder for the Navy.

The Army quota for December is 2,000 below the 10,000 level maintained since last May. December will be the second month, since World War II, in which the Navy has asked for draftees. It is drafting 10,000 in November.

The drop in the Army draft for December followed slight increases in Army strength through voluntary enlistments during the summer months. Officials explained the lower draft would be a step in shaving Army strength to 1,027,000 by next June 30.

The Defense Department said that all men drafted in December will be processed by the tenth of that month and that inductions will be suspended until January 3, 1956, after Christmas and New Year holiday season.

## 35th National Education Week

The 35th annual observance of American Education Week is scheduled for November 6-12.

This year the general theme is "Schools—Your Investment in America." This week of emphasis on education is sponsored jointly by the National Education Association, American Legion, U. S. Office of Education, and the National Congress of Parents and Teachers. Cooperation is earnestly solicited from all organizations designed to further our national welfare in any way.

Locally, Colonel Charles I. Faddis and Leroy W. Clovis, from the American Legion, and a committee from the schools: Louisa C. Smith, general chairman; Gertrude Wood, South Ward; Josephine Mintier, North Ward, and Irene S. Clutter, East Ward, are planning the week's affairs along lines advocated throughout the nation.

School patrons are invited to visit their schools anytime during the week. However, a special open house from 7-9 Monday, November 7, will be held in North Ward and East Ward.

The Ministerial Association of Waynesburg has been asked to remind all congregations of citizen responsibility in education. Some pastors will cooperate in announcing various features, some by sermons on the subject.

Waynesburg Parent Teachers Association is cooperating by giving its regular monthly meeting night, November 21, for open house programs at South Ward School and the high school.

**PROGRAM**  
Sunday, November 6—Your Investment in Character Building.  
Monday, November 7—Your Investment in Teachers.  
Tuesday, November 8—Your Investment in Classrooms.  
Wednesday, November 9—Your Investment in Fundamental Learning.  
Thursday, November 10—Your Investment in Better Living.  
Friday, November 11—Your Investment in a Strong Nation.  
Saturday, November 12—Your Investment in Your Responsibility.

## W. Pa. to Get 'Deepest' Well

A Titusville geologist and an Oil City businessman plan to drill a test oil well deeper than any ever sunk in Western Pennsylvania.

F. Arthur Johnson of Titusville R. D. 3, and Paul H. Biery of Oil City, said the well will be drilled about three miles south of Tidouite in Warren County.

Johnson, recently honored by the University of Pittsburgh as the first recipient of a petroleum engineering degree, said it will be the first attempt to test very deep strata in Western Pennsylvania.

The well may be sunk 12,000 to 15,000 feet into the earth, he added.

The deepest oil well ever drilled in the state was one of 12,650 feet in Sullivan County about eight years ago. It was dry and was later abandoned.

J. C. Walker of Bruin, Butler County, will be the drilling operator for the project. Actual drilling will start in about two weeks. The well will be known as Shaw Farm Well No. 1.

A Salute to All Candidates, and Our Next

## President Judge

Disraeli, Queen Victoria's Prime Minister, once said, "It is much easier to be critical than to be correct."

\*\*\*

Have followed a modern-day Disraeli political campaign, and the "Old Coot's" observations still ring true.

\*\*\*

We have all the respect possible for the candidates in the coming Municipal Election, both Democratic and Republican. They are all very fine, outstanding gentlemen (and ladies) and deserve the profound consideration of every elector, particularly the candidates for President Judge of Greene County.

\*\*\*

W. Robert Thompson, Republican candidate, is a friend of ours and one of our political faith. His experience should and does qualify him for this high office. But, we do not see eye to eye, on political procedure. And we're sorry.

John Inghram Hook, his Democratic opponent, is the present incumbent, and has been for the past ten years. His campaign has been one "of experience," as the volume in the Courts during his tenure has exceeded that of the two preceding terms combined.

And, in spite of the added duties in the past ten years, Judge Hook has been methodical enough, meticulous enough, learned enough, to have had an outstanding record in the Appellate Courts.

\*\*\*

Judge Hook was—in 1953—endorsed by the Democratic party for Superior Court. While he was defeated, he succeeded in polling 1,350,000 votes in the Commonwealth, and polled the largest vote ever recorded in Greene County. He had one Democratic and two Republican candidates running for the same office. He polled a total vote in his native bailiwick of 9,701 as against 9,423 for his combined opponents.

\*\*\*

If Judge Hook was so enthusiastically endorsed by the electorate of Greene County for a Superior office, why has he become *persona non grata* in his own County for the office of President Judge for another term?

\*\*\*

Why was he eminently qualified for the Superior Court just two short years ago, and claimed, now, to be incompetent, dilatory, too old—and too everything to sit again in Greene County?

\*\*\*

Can't help but revert to Disraeli's observation: "It is much easier to be critical than to be correct."

We have always believed (and said so in no uncertain terms previous to the primary) that a qualified sitting judge should be retained. If we're wrong in our considered opinion, then the greatest legal minds of the Commonwealth of Pennsylvania are just as wrong!

\*\*\*

Perhaps this editorial is *critical*, but we feel we are *correct* in again endorsing the Honorable (and we use the word conscientiously) John Inghram Hook for President Judge of Greene County.

His record is good enough for us!

## County Election Tuesday Is Of Great Importance

### More Workers For Children's Aid Society Drive

Mrs. John Murdock of Rye-son Station, has been named chairman of the Children's Aid Society of Greene County's campaign for funds, in Richhill Township.

Mrs. Helen Mankey and Mrs. Dorothy Kelley are chairmen for Nineveh.

Mrs. John Carter, Jr., is chairman for Morris Township.

Mrs. Alberta Wise is head of the drive at Bobtown.

Mrs. T. J. Phillips and Mrs. Hazel Hopkins are heads of the campaign in the Swart community; Mrs. Faye Conklin is at West Union, and Mrs. Marie Clutter in south Morris Township.

Mrs. Arthur Rattigan heads the drive in Morrisville, with Mrs. John McDonald and Mrs. William Orndoff.

### Former Bank Official Dies

Herbert Ailes, 75 years, former cashier of the First National Bank of Waynesburg, died Sunday morning, October 30, 1955, in his home in Brentwood, Pittsburgh. He had been ill two years.

Mr. Ailes was a son of John W. and Mary Ailes, and was born November 9, 1880, in West Brownsville.

He had served as cashier of the First National Bank for 12 years, and moved to the Pittsburgh district 18 years ago.

Mr. Ailes was a member of the Presbyterian Church of Brentwood and the Masonic Lodge.

His wife, Margaret Minford, died three years ago.

Surviving are three daughters, Mrs. Mary Sechler of Bellevue; Mrs. Howard Duvall of Brentwood, and Mrs. James Steffey of Pleasant Hills; four sons, H. Leo Ailes of Waynesburg; Captain John W. Ailes, IV, in the U. S. Navy, and Warren and Donald Ailes, both of Pleasant Hills, Pittsburgh. Also surviving are two sisters and a brother.

Funeral services were held Wednesday in the Slater Funeral Home in Brentwood. Interment in Jefferson Memorial Park, Pittsburgh.

### State Warns On 'Gyp' Stock

—Harrisburg—  
The State Securities Commission has warned investors to be on the lookout for the get-rich-quick boys willing to let them in on a "sure thing" in uranium, oil or mining.

Commission Chairman Frank N. Harp of Pittsburgh, said the Securities and Exchange Commission is planning to tighten regulations in order to close loopholes for fraud and racketeering in speculative mining and oil issues.

Cease and desist orders against unregistered stock dealers and salesmen have increased in recent weeks, Harp said.

Harp said there are three principal rules to guard against being gyped:

Don't buy stocks, bonds or securities from anyone who doesn't carry a card showing he is registered with the Pennsylvania Securities Commission.

When receiving "come-on" literature from Canada or other states ask the senders if they are registered with the commission or forward the literature to the commission.

Never buy any securities over the long-distance telephone from strangers.

### Vet Day Service For Gettysburg

—Gettysburg—  
The National American Legion has announced that it will hold a special Veterans Day service November 11, at the National Cemetery here.

The Legion in past years had sponsored the annual Armistice Day service on the same date at the Tomb of the Unknown Soldier in Arlington National Cemetery.

Since the Government changed the name of the day from Armistice Day to Veterans Day, said John Stay of Philadelphia, commander of the Pennsylvania Department of the Legion, the Gettysburg Cemetery appeared to be the most appropriate site.

A municipal election of great importance will be held Tuesday. To be elected is the president judge of county courts with the incumbent, Democrat John Inghram Hook, and Republican W. Robert Thompson, candidates.

County commissioners are also to be elected for a four-year term. Republicans are John B. Carter, who has had experience in the office, and L. F. Engle, retired county farm agent, who has done much to improve agricultural conditions over more than 30 years.

Democrat candidates are Arleigh Varner, retired bank teller, and Herman Gugliotta, Dunkard Township business man.

Rae B. Spragg, clerk of courts, is unopposed for that office.

Pauline Kiger, Democrat, is opposed by Marshall Lemley, Republican, for the office of county treasurer.

Harold Dulaney, incumbent register and recorder, has Lawrence Phillips, Republican, as his opponent.

John G. Warren, Jr., Republican, is the candidate against Leroy Minor, Democrat incumbent for prothonotary.

Justices of the peace, constables and township officials are to be elected.

This election is of the greatest importance to all residents. All must vote.

### Study Coal Mine Safety Practices

Coal mining safety practices were demonstrated for representatives of six European coal mining countries Monday when they visited the Robena Mine and Coal Preparation Plant of U. S. Steel's Coal Division at Carmichaels.

Sponsored by the State Department's International Cooperation Administration, the European safety specialists are midway in a tour through 20 production and service operations where they are studying safety in industries.

Arriving at the Colvin plant-site they visited the shop, hoist house, fan and bathhouse. J. C. Gray, vice president, operations coal, showed the group colored coal mining slides that emphasized the many safety precautions strictly adhered to in the district's coal mining operations. M. B. Girod, superintendent, using a mine map, explained the coal operation now in progress at Robena. After lunch, the group visited the Robena coal cleaning plant where they saw the complete cycle of coal washing.

The safety men, who hope to bring back to Europe the benefits of their safety studies here are:

Jean Jacques Haegelsteen, mining engineer (safety), European Coal and Steel Community, Belgium; Jean-Marie Marcel Gave, joint manager of the Department for Occupational Accident Prevention, Union of Metallurgy and Mining Industries, France; Wilhelm Earl H. Lighte, safety engineer and education officer, European Coal and Steel Community, Germany; Gulsepe Inga, supervisor, Insurance and Safety Department, European Coal and Steel Community, Italy; Alphonse Ernest, safety engineer, European Coal and Steel Community, Luxembourg; Karl Heinz Massoth, head of Training Section of Labor Division, The High Authority of the European Coal and Steel Community, Luxembourg; Honore Alphonse J. Pieriers, chief engineer, Staatmijnen in Limburg, Netherlands; Hendrikus M. J. Van deWall, superintendent of Safety Department, Royal Netherlands Blast Furnaces and Steelworks, Ltd., Netherlands.

John A. Priest is managing the group's tour as representative for the International Cooperation Administration.

### VFW Poppy Sale Here Saturday

Waynesburg Post 4793, Veterans of Foreign Wars, will hold their annual poppy sale on Saturday, John F. Kiger, commander, has announced. Children of local veterans will sell poppies from 9 to 5.

Proceeds from the sale of poppies goes to disabled veterans and to the widows and orphans of deceased veterans.

This year's sale will be under the direction of Mrs. John F. Kiger, president of the auxiliary to the local post. She will be assisted by other members of the auxiliary and by Jack Hammers and Frank Mowrey, members of post 4793.

Children selling poppies on Saturday will be served lunch in the post home at noon.

## Casadesus Piano Soloist With Pittsburgh Orchestra

Robert Casadesus, a perennial giant of the piano keyboard, returns to Pittsburgh this week as guest soloist with the Pittsburgh Symphony Orchestra in two concerts, Friday evening and Sunday afternoon, November 4 and 6, at Syria Mosque. With William Steinberg conducting, he will play two Mozart concertos, No. 27 in Bb Major and No. 25 in D Major (Coronation). The double Mozart treat as planned is part of the bicentennial celebration of the composer's birth.

Rounding out the program will be two contemporary orchestral works, Hindemith's Concert Music for Brass and Strings and Luigi Dallapiccola's Due Pezzi per Orchestra.

The name Casadesus may be difficult for Americans to pronounce, but to Frenchmen everywhere it means music with a capital "M". The Casadesus family has been a dominant force in the musical life of France for three generations, and the immediate family of Robert Casadesus boasts no fewer than three concert pianists. Besides himself, recognized as one of the five greatest living pianists, there is his accomplished wife, Gaby, who often appears in joint recitals with her husband, and their elder son, Jean, still in his twenties but already designated "worthy to carry on the Casadesus name."

Robert Casadesus was born in Paris in 1899, and his career was brilliant from the start. Having graduated from the Paris Conservatoire with all its prizes, he was soon in demand all over Europe for concert performances. He came to the United States for the first time in 1935, and made his debut with the New York Philharmonic-Symphony Orchestra. He has since made twenty return engagements with the Philharmonic.

During the twenty years since that first New York concert, Americans have learned to know and love the name Casadesus, even as his fellow-Frenchmen, and to associate it with the best and most exciting in music. Whenever he appears, the audience can be assured of a memorable musical experience.

## State Employees From County Form Democrat Club

Forty employees of the administration in Harrisburg, last week formed a Democratic Club, at the suggestion of Assemblyman Stephen McCann.

The following officers were unanimously elected: president, A. L. Caldwell; vice president, Thomas Balaban; secretary-treasurer, Audrey Curtis.

It was decided that monthly dinner meetings will be held. Speakers included Lieutenant Governor Roy E. Furman; J. B. F. Rinehart, Deputy Attorney General in the Department of Highways; Attorney Thomas Balaban, deputy insurance commissioner; Dr. Charlot Gibbons Coffroth of the Department of Public Instruction, and J. V. McKenna, First Deputy in the Bureau of Mines.

Mr. Caldwell, who is executive assistant and personnel director in the Department of Public Instruction, was toastmaster.

## Fuel Industries Protection Urged

—Altoona, Pa.—

Representative James E. Van Zandt has called for the protection of the nation's basic fuel industries against the potential competition of atomic energy.

Van Zandt, a member of the Joint Committee on Atomic Energy, said:

"Our atomic energy policies should be so drawn and executed that they will preclude any serious problems in the nation's fuel outlook.

"There is room for all forms of energy, each doing the particular job for which it is best suited, in America's promising future."

He said the coal, oil and natural gas industries should be given the opportunity at every stage of atomic development to present their views on the impact of atomic energy on natural fuel production.

**BERMUDA MYSTERY** — The inscription this young couple looks over was found by the first settlers of Bermuda, crudely carved in the rock on a high bluff overlooking the ocean. For many years the initials, (see insert of cast made from original carving), were thought to be those of Theodore Fernando Camelo, a 16th century Spanish explorer, who attempted to make Bermuda a Spanish settlement. Later theories have identified the initials and marks, called by Bermudians the "Spanish Rock", with a shipwrecked sailor. Marine hardware dating in the 1600s and found near the spot appear to support the latter theory, but the origin of the carving and the carver are still one of Bermuda's biggest mysteries.

**Marshalls to Sell  
Home in Virginia**

—Leesburg, Va.—  
Dodona Manor, historic home  
of General and Mrs. George C.  
Marshall, is being offered for  
sale.  
The 20-room colonial mansion  
was built in 1790 by George  
Washington Ball, god-son of  
George Washington, as the  
manor house of his huge planta-  
tion. It sits in a grove of oaks  
and maples on the east side of  
Leesburg.  
The wartime Army Chief of  
Staff and former Secretary of  
State bought the four-acre estate  
in 1941 from Northcutt Ely.  
The Marshalls have spent the  
summer months here and wintered  
in Pinehurst, N. C. It is  
reported they plan to spend the  
summers hereafter at Eagles  
Mere, Pa.

**Indian Fort On Top Of Mt. Jura Remains  
Exactly As Built By Colonel Hambright**

Henry W. Shoemaker, Presi-  
dent of the Pennsylvania Folklore  
Society, State Museum, Harris-  
burg, said that on the top of  
Mount Jura of the Bald Eagle  
Mountain chain at McElhattan  
Gap, Clinton County, is a large  
stone structure called the "In-  
dian Fort."  
According to Mrs. Anna S.  
Stabley, for long years a noted  
historian of the neighborhood, the  
fort was the observation fort of  
Colonel John Hambright and his  
famous expedition against the  
marauding Indians of Great  
Island, 1756.

The Colonel led his force of 90  
men along the top of Bald Eagle  
Mountains from Fort Augusta  
until he reached a point near  
where the Indians were grouping.  
There they put up the Fort which  
stands in perfect condition after  
all these nearly two hundred  
years.

The climb to the fort, called  
locally "The Indian Fort," is dif-  
ficult over great masses of white  
rocks, among tall white pines,  
where one is cried at angrily by  
nesting hawks.

Within the fort, in wet weather,  
there is a fine spring of cold  
water which emerges 50 feet be-  
low, and forms a cascade known  
as Phillips Falls, down the steep  
Bald Eagle mountain.

In Lancaster County, near  
Weaverland the site of the Plain  
People's Cathedral is the grave  
of Colonel Hambright in the old  
Welsh Cemetery, who Colonel  
Theodore Roosevelt described as  
"the greatest Pennsylvania Ger-  
man warrior in colonial times."  
Colonel Hambright resided  
among Welsh pioneers and when  
he died he was accorded a place  
in their cemetery, alongside in  
the tomb of Judge Thomas Ed-  
wards, the first Judge of Lan-  
caster County, is encircled by a

**Pioneer Fishermen's Love Of Shad  
Deprived State Of Caviar Industry**

—Harrisburg—  
Pioneer fishermen who failed  
to realize the value of the Ameri-  
can sturgeon deprived Pennsylv-  
ania of the chance to build up  
an American Caviar industry,  
Henry W. Shoemaker, President  
of the Pennsylvania Folklore So-  
ciety, State Museum, said.  
Citing J. W. Sheibley of Landis-  
burg, Perry County, and the late  
Henry K. Deisher of Kutztown,  
Berks County, as authorities,  
Shoemaker said, "there was no  
finer, gamier fish in the Susque-  
hanna than the sturgeon, which  
was ignominiously wasted by our  
early fishermen, in the belief that  
sturgeon destroyed shad and Sus-  
quehanna salmon."  
"These early fishermen hauled  
the sturgeon from the Susque-  
hanna and its tributaries in nets  
and literally threw them away to  
die or sold them by the wagon  
load for a mere trifle as fertilizer.  
This wanton destruction went on  
while the pioneer fishermen were  
ignorant of the two dollar a  
pound price in Europe for stur-  
geon roe or caviar."  
"Captain Cecil Clay, an early  
Susquehanna naturalist, noted the  
resemblance of the Susquehanna  
sturgeon roe or eggs to the  
European caviar or European  
sturgeon eggs, and predicted a  
prosperous business for Pennsylv-  
ania fishermen if they would  
conserve the sturgeon and  
market the eggs or roe as Sus-  
quehanna Caviar."  
"Other experts also predicted  
a fortune could be made if the  
Susquehanna sturgeon eggs or  
roe were salted and marketed as  
American Caviar."  
"The sturgeon swam up the  
Susquehanna River and entered  
the river's creek tributaries to  
spawn. These spawning streams  
included the Codorus in York  
County, the Yellow Breeches,  
York and Cumberland Counties,  
the Conodoguinet in Cumberland

**U. S. Starts  
Creation Of  
Space Satellite**

—Washington—  
The Defense Department has  
given industry the signal to start  
building a space satellite for  
"Project Vanguard."

It announced Friday that "work  
has begun" on the project with  
the awarding of a primary con-  
tract to Glenn L. Martin Com-  
pany, builders of airplanes and  
research rockets, with another to  
General Electric Company, for  
building the first stage of the  
series of rocket motors for the  
space flier.

The Navy, assigned as the  
management agency for the  
project, is expected to award a  
series of other contracts, both  
major and sub-contracts, for de-  
signing and fabricating the mul-  
titude of parts in the first, small  
test satellite and the complex  
launching and data-gathering in-  
strument system.

But even though contracts are  
now being let for the joint  
civilian-military scientific re-  
search program, neither the Pen-  
tagon experts nor any other of-  
ficials have decided yet the exact  
shape and size of the first space  
roamer.

There have been predictions it  
would approximate the size of a  
basketball. Friday's announce-  
ment said only that it would be  
"small," but large enough to con-  
tain instruments to send back re-  
ports on its orbiting journey 200  
miles above the earth.

The White House announced on  
July 29 that the United States  
would build an earth-circling, un-  
manned satellite vehicle as part  
of the program for the Interna-  
tional Geophysical Year (July  
1957, to December 1958). The  
three agencies in the project are  
the National Academy of Sci-  
ences, the National Science Foun-  
dation and the Defense Depart-  
ment.

**State's Draft  
Call Is 1,349**

—Harrisburg—  
State Selective Service head-  
quarters has issued a draft call  
for December of 1,349 men from  
Pennsylvania, all of whom must  
be at least 21 years old.

Lieutenant Colonel Henry M.  
Gross, state director, said the in-  
ductees will be taken into Federal  
service between December 1 and  
December 10.  
The national draft call for De-  
cember is for 18,000 men, of  
whom 8,000 are for the Army and  
10,000 for the Navy.

**Ike's Ancestral  
Home Dedicated**

—Elizabethtown, Pa.—  
A bronze plaque marking the  
one-time farm home of President  
Eisenhower's grandparents was  
unveiled Sunday by Dr. Milton S.  
Eisenhower near the western end  
of this Central Pennsylvania  
community.  
About 1,000 persons saw the  
President's brother remove the  
veil from the historical marker  
on grounds of the 101-year-old  
farm house from where Jacob F.  
Eisenhower migrated to Kansas  
in 1878.

**Show for Queen  
Includes Yanks**

—London—  
Six American entertainers are  
included in the list of stage stars  
who will perform before Queen  
Elizabeth and her husband, the  
Duke of Edinburgh, at the royal  
command variety show Novem-  
ber 7.  
They are singer Lena Horne,  
George Jessel, magician Chan-  
ning Pollock, singer Johnnie Ray,  
and Alfred Drake and Doretta  
Morrow with the company of the  
musical, "Kismet."

**New 'Pilgrims' See Mayflower Rebirth;  
Sailing Scheduled For July 4, 1956**

—London—  
A pilgrimage over the week-  
end by descendants of the Pil-  
grim Fathers spanned the years  
from Mayflower-1620 to May-  
flower-1956.

Dawn found them, a silent  
thoughtful group at the site of  
the granite stone in old Plymouth  
marking the spot from which  
their ancestors sailed 335 years  
ago.

Afternoon shadows were fall-  
ing as they visited the shipyard  
at Brixham where a second May-  
flower, a replica of the first, is  
being built to sail to the United  
States on Independence Day next  
year.

"The procession of modern pil-  
grims from 25 different states,

walked with our welcoming com-  
mittee, down the winding hill,  
past my little cottage," C. Ray-  
mond Bullocke, a Brixham resi-  
dent, said.

"They climbed into the ship-  
yard loft, examined blueprints,  
spars in the shaping, and a scale  
model of the hull of the new 190-  
ton Mayflower," he said.

The party then drove to Ring-  
more, a tiny village near the  
Devon coast, once the haunt of  
smugglers and pirates, where  
they breakfasted at Journey's  
End Inn.

Continuing their drive along  
the coast to Dartmouth, they saw  
the spots from which their an-  
cestors first embarked in the  
ships Speedwell and Mayflower,  
before being driven by weather  
and leaking hulls into Plymouth.

The money for the new May-  
flower is contributed entirely  
from British sources. No Ameri-  
can money can be accepted for it.  
It is a gift to the people of  
America from the people of  
Britain as an expression of en-  
during community of interest of  
the two countries.

Mayflower II, is expected to  
sail on July 4, 1956, to Plymouth  
Rock, where the Pilgrim Fathers  
are believed to have landed. Later  
it may be exhibited along the  
eastern seaboard of the United  
States.

Finally it is planned to offer it  
to Plantation Incorporated, the  
trust which is rebuilding the Pil-  
grim Father's first settlement at  
Plymouth, Massachusetts.

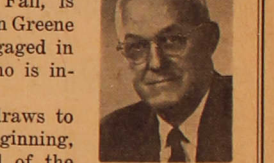

**Diggers Find Capital  
Of Queen of Sheba?**

—Addis Ababa, Ethiopia—  
A French archaeological mis-  
sion is reported to have found an  
ancient burial place which may  
solve the mystery of the location  
of the Queen of Sheba's capital.  
The archaeologists found nu-  
merous tombs, skeletons, jewels,  
and Arabic inscriptions in the  
burial site at Aksum, once a  
major religious center in north-  
ern Ethiopia.  
The ancient kingdom was cele-  
brated for its gold, frankincense,  
spices and precious stones.  
Its beautiful queen was said to  
have come from afar to hear the  
wisdom of Solomon.

**You Be the Judge**

By BOB THOMPSON

ONE OF THE MAIN ISSUES of  
the Judge campaign this Fall, is  
whether you want a Judge in Greene  
County who is actively engaged in  
machine politics or one who is in-  
dependent.

This Campaign, as it draws to  
a close, has, from its beginning,  
seen the application of all of the  
various pressures that are applied by politicians. In  
the first place, there was an open "Slating" of cer-  
tain candidates in the Primary by a very small num-  
ber of Democratic Committeemen. Two of these  
three candidates received the nomination of their  
party in the Primary. Following that we had pres-  
sure put on persons who hold political jobs threaten-  
ing them with the loss of their jobs unless they sup-  
port the entire ticket. We have had the forceful  
assessment of persons on certain political jobs for a  
percentage of their pay which is used in the Cam-  
paign. (Until this year, this was unheard of in  
County Elections.) Persons who have supported me  
have been threatened with loss of business. The  
heads of the party with a 3 to 1 majority in the Reg-  
istration adopted the strategy of "Vote the Straight  
Democratic Ticket." They sought thusly to rob the  
voters of their choice of persons for whom they  
would vote and steamroller all of their candidates  
over the people of Greene County.

The peak was reached last Saturday when the  
Chief of State Party patronage, Senator Joe Barr  
from Allegheny County, was brought out to a rally  
to tell the voters of Greene County whom to select  
for Judge. It is to be doubted that Senator Barr  
knows enough about Greene County to tell us for  
whom we should vote.

Do you want a Judge for the next ten years who  
is indebted to such an organization for his election  
or do you want an independent Judge?

### Hero's Treat - Hot Caramel Milk!

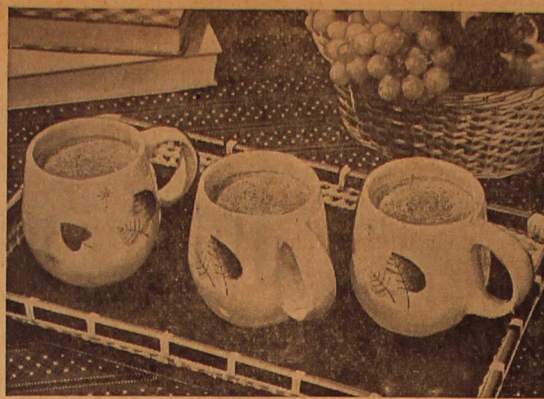

Photo: Sealest Kitchens

Home from school—and the cry all over the country is, "What's to eat?" There's something about the return to three "R's," scrimmages, and all the excitement of a new school year that creates enormous four o'clock appetites. Wise is the mother who plans the afternoon treat for simplicity, and appetite satisfaction without destroying a taste for dinner. An extra glass of Homogenized vitamin D milk fills the bill perfectly, adding important extra nutrients for this "demand" fourth meal of the day.

And it's easy to give after-school—or before-bedtime milk varied glamor with the addition of favored sweet-tooth flavors—caramel, peppermint, brown sugar. Served hot and spicy, they make a party out of every day's occasion.

**Hot Caramel Milk**  
1/2 lb. Caramels 1/2 teaspoon cinnamon  
(28 caramels) 6 cups milk Nutmeg

Place the caramels and 1/2 cup milk in the top of a double boiler. Heat, stirring frequently until the caramels are melted and the sauce is smooth. Add the cinnamon, mix-

### Celebrate 60th Anniversary

Mr. and Mrs. Vincent Long Fordyce of the Fordyce community, celebrated their 60th wedding anniversary Sunday with open house.

Mr. Fordyce, a son of Abner and Margaret Murdock Fordyce, is a direct descendant of Rev. John Corby, pastor of Goshen Baptist Church.

Mrs. Fordyce, daughter of Basil and Elizabeth Livingood Smith, is a descendant of the Livingood brothers who came to America from Switzerland and served in the Revolutionary War. They were married October 30, 1890, in the home of the bride's parents by Rev. Lewis Phillips.

The celebration was arranged by their daughter, Mrs. Marie Donham, an instructor in the Bobtown School, and her son, Mark Donham.

### Comic Book Ban Advanced

—Harrisburg—  
After eight months of consideration the House Friday voted for legislation designed to ban horror comics from Pennsylvania. A bill sponsored by all 11 women members of the House, seven Democrats and four Republicans, was forwarded to the Senate 187-0 without debate.

It would make it unlawful to sell, exhibit, give away or possess with intent to sell to anyone under 18 any comic book, magazine, or other publication which, read as a whole, is concerned with an account of crime which may incite to violence and depraved acts against the person.

It provides for a \$500 fine or one year in jail or both for violations and would become effective 30 days after final enactment.

### Nurses Training School Planned

A program with federal aid to establish a training school for practical nurses in Greene, Washington and Fayette Counties, is being planned by Paul Corder who is in charge of the Waynesburg office of the Bureau of Employment Security.

Hospital and school authorities have given their approval. Mr. Corder stated the program is approved, would be set up and operated entirely at the expense of the federal government. Rent, instruction, equipment and all other expenses would be paid under Public Law 78-A, which provides for the establishment of such schools, he explained.

The school would be a year around proposition, operating five days a week. Student practical nurses would take part of their training at the Greene County Memorial Hospital. There would be no charge for the course of instruction which would run about a year.

Mr. Corder stated that he, Fred T. Gilgoly, assistant county superintendent of schools, and W. Walter Montgomery, supervising principal of Waynesburg schools, recently visited the school at Johnstown which is the nearest in the area, and conferred with the superintendent and directress of nurses at the General Lee Hospital, Johnstown, to gain a fuller idea of how the program operates.

### Gore Urges Highway Bill

—Washington—  
Senator Gore, Democrat of Tennessee, said Saturday he has urged top House Democratic leaders to take up and pass the Senate's highway construction bill early in the 1956 session.

Gore, who sponsored the measure which passed the Senate earlier this year, said he had written Speaker Rayburn, Democrat of Texas, and talked to Majority Leader McCormack, Democrat of Massachusetts, about quick action. Gore said:

"I can report that I received no particular discouragement from either."

Gore said he had advanced the view that it was "a political necessity" for the Democrats, as the controlling party in Congress, to provide legislation for a vast program of highways improvement.

On the question of financing the program, Gore said he thought that should be taken up in separate legislation. He said a tax bill is bound to come up in the 1956 session and will involve funds derived from highway use.

### Student's Draft Exams Scheduled

### Marriage

#### ROBERTS-PHILLIPS

Miss Joyce Louise Phillips, daughter of Mr. and Mrs. Lawrence Phillips of Nineveh, and Ronald Roberts of Detroit, Michigan, were united in marriage Sunday evening, October 16, 1955, in Nineveh Methodist Church. Rev. Fred Grimm, uncle of the bride, Rev. J. W. Clendennien and Rev. L. J. Peters performed the ceremony before the altar which was decorated with white chrysanthemums, snapdragons and ferns. The bride, given in marriage by her father, wore a lace and net gown over satin with a fitted bodice and full skirt ending in a chapel train. Her veil fell from a lace cap and her bouquet was white roses and snapdragon. Mrs. Mabel Peters of Clearfield, was matron of honor, and bridesmaids were Mrs. Shirley Peters of Jefferson, and Miss Marlene Ealy of Jefferson. They wore blue net and velvet gowns and their flowers were pink carnations. Robert Stockdale of Taylor Center, Michigan, was best man, and William Mooney, also of Taylor Center, was usher. A reception was held in the church social room. Charles Ganear, organist, played the wedding music. Mrs. Roberts is a graduate of Waynesburg High School in the class of 1953, and has been employed by West Penn Power Company. Mr. Roberts attended Waynesburg High School and a school of draftsmanship in Detroit. He served three years in K Company, 110th Infantry, in Germany, and is a mechanical analyst in the Ford River Rouge plant in Dearborn, Michigan. Mr. and Mrs. Roberts are residing in Taylor Center.

She spoke on "The Purpose of Federation." She stated the federation is a service organization to bring the many garden clubs of the state together by means of communication and conference. Dinner was served to 13 members and 15 guests. Guests were Mrs. Ernest Calhoun, Mrs. C. E. Bane, Mrs. Elsie Cales, Mrs. Viola Donavon, Mrs. Kathryn Goodwin, Miss Lena Hawkins, Mrs. George Hoge, Mrs. Edwin Lint, Mrs. Cecil McCracken, Mrs. Gladys Patterson, Mrs. Hester Rutter, Miss Francis Rosenberry, Mrs. Charles Strosnider, Mrs. Mary Sharpnack and Mrs. Carl Spragg. Mrs. Clarence Huffman entertained the Waynesburg Woman's Club Friday in the Presbyterian Parish House. The president, Mrs. W. Robert Thompson, was in charge of the meeting. Mrs. I. H. Knox, a charter member, was voted a life membership and placed on the inactive roll. Mrs. Charles I. Faddis reported on the recent county federation meeting. Mrs. Roy W. Clovis spoke on the subject, "Biography Through Preface." Tea was served with Miss Catherine Sayers at the table.

### Leisenring No. 2 Mine To Close December 31

—Uniontown, Pa.—  
Operations at one of U. S. Steel's oldest coal mines in the Frick District, Leisenring No. 2, will come to a close December 31, when the remaining small amount of coal will no longer permit safe operations of the hoisting shaft.

There are approximately 230 men now employed at Leisenring No. 2. Because of the rapid exhaustion of coal a reduction in the work forces will start about November 1.

The 8,900 acre Leisenring coal field, comprising Nos. 1, 2 and 3, was opened in 1882, by the Connellsville Coke and Iron Company. The mine was named after the president of the company, John Leisenring. These properties were conveyed to the H. C. Frick Coke Company in 1890.

E. A. Humphrey became the first superintendent of Leisenring No. 2 in 1895. Succeeding superintendents were Charles J. Warnock, 1896-1905; A. H. Polins, 1905-1908; Ralston K. Warnock, 1908-1931. Superintendents E. F. Hess, T. L. Doolery and P. O. Hood supervised the idle plant from 1931 to 1941. M. B. Girod became superintendent in 1941 after the mine had been rehabilitated and C. W. Connor, Jr., was superintendent from 1948 to 1951. The present superintendent, M. W. Wheeler, assumed responsibility of Leisenring Nos. 2 and 3 in 1951.

The combined output of the Leisenring's to date is in excess of 33,000,000 tons. There remains 5,000,000 tons yet to be mined from this field and present plans indicate four and one-half years of operations.

# Fifty-Year History of Greene County Sports

By GEORGE N. THOMAS

## WORLD'S RECORDS

Four times in the first half century, Greene County natives earned world-wide recognition with athletic accomplishments. The first athlete to set a world record was Willis Hutchins. In 1914, he conducted a mercantile business in the tiny community of Brave.

He had won considerable fame as a star athlete at Waynesburg College. But on that mild Labor Day in September he made the long trip to Pittsburgh's West View Park to run the 100-yard dash against the district's best trackmen.

Permitted a handicap of two yards, Willis clocked off the distance in nine and three-fifths seconds.

The great crowd at the park let loose a tremendous ovation when the announcer told them it was a world record.

Willis accepted the event modestly. He even refused to rest on his laurels and entered the broad jump event.

Then he returned to quiet, sleeping Brave which was unaware of its international hero.

EDWARD TAGUE

The county's second world mark came in track, too.

In May 1927, Edward Tague, son of Mr. and Mrs. W. R. Tague of Waynesburg, broke the world record for the quarter mile at Philadelphia's Penn Relay Carnival.

Tague at the time ran as a member of the Lawrenceville Academy track team. Along with tea mates Evans, Blondel and Meinig, he helped rack up the time 43.4 seconds.

LAWRENCE E. DAY

The year 1927 must have been Greene County's year, for in June, Lawrence E. Day, who was reared in Waynesburg and later moved to Washington, D. C., became the marathon golf champion of the world by completing 243 holes in 16 hours, 26 minutes.

Day averaged 48.727 strokes for each nine-hole round. He began swinging at 3:20 a. m.

The product of the Greene County Country Club walked 71 miles, outlasting several opponents, and lost six pounds, none of it in his sturdy legs which developed climbing the county's hills.

EARL TAYLOR

In 1948, Earl Taylor, a member of the famous Taylor family of riflemen, set two national and world records with his faithful gun.

Earl fired all perfect bull's eyes in the 50-yard any-sight, and 100-

yard iron site events in junior competition.

He still was a high school lad at the time.

Previously, as warmups, he had defeated two world's champs in a Vandergrift competition when he was only 15.

## ARCHERY

Perhaps the occasion that caused the least ripple of excitement in the county was the first and only archery event staged on the Waynesburg College campus in May 1935.

Lois Myers, Virginia Irvine, Faye Levine and Mary Louise Carson represented the Orange and Black archers as they defeated Bethany girls 178 to 158.

## POLO

Another one-time shot, so far as the community was concerned, came off September 14, 1933.

The first and only polo game had to be completed in two parts.

Monongahela Polo and Riding Club had challenged Charleroi Veterans for a match at Waynesburg's Fairgrounds.

Fans and curious folks went to see and they liked it.

H. Hank, J. Hank and Toner played for Charleroi with Travinsky as spare; Cowell, Dr. Miller and Lowstutter wore Monongahela's colors with Dunkerly as spare. Dr. Botkin was referee.

After five chukkers, the teams deadlocked at five-all. Then came the rains and the game was called.

The following afternoon they pulled off again and Charleroi pulled away to win a close one, 9-8.

## BOWLING

Bowling has been a minor sport in the county since the beginning of the century.

In 1904, a team representing Waynesburg invited the Unity team of Pittsburgh for a match in Waynesburg.

Although Byron Daily won two out of three games, the county boys lost the match.

James Strosnider, Bert Barb, T. B. Dinsmore and Bill Clark were Daily's bowling mates.

Ordinarily, they didn't have to go that far to find competitors. Nearby Washington offered all they needed, and Waynesburg's best frequently took two out of three games.

Among the top bowlers of the era, aside those already mentioned, were George Combs, R. E. Kent, Stoy Hawkins, Frank Barb and John Wallace.

Many of them bowled for the Colts and they hardly were beaten.

Only once in the half-century, so far as records reveal, did the county send a ten-pin team to the American Bowling Congress.

That was in 1925 when the event took place in Buffalo.

The Yellow Jackets, as they were called, comprised Clarence C. Headley, Edward Tharp, John Milliken, Roy Vernon, Charles Strosnider and Walter Clutter.

They were pretty sharp, averaging 180 points, and they went a good way through the tourney before running into better teams.

In the last decade particularly did bowling alleys flourish as America seemed to find a popular sport for men and women alike.

So many leagues were formed that reservations were necessary to approach a bowling center, even in Greene County.

## Three Teams Fall From Title Races

Western Pennsylvania's scholastic football schedule proved too rough for two WPIAL Class AA title seekers and a Class B contender during the past week end.

Both Johnstown and Turtle Creek were knocked out of the AA race Friday night, and Avella was eliminated by Midway Saturday night.

Still in the running in the three WPIAL classes are:

Class AA—Aliquippa, Ambridge, Mt. Lebanon and West View.

Class A—Braddock and Leechburg.

Class B—Shannock Valley and Snowden.

## Waynesburg College Yellow Jackets Battle Westminster To 7-7 Deadlock

### California High Hands Raiders 29-6 Defeat

Scoring at least once in every quarter, the California High School grid squad defeated the gridders of Waynesburg High School 29-6 in a WPIAL Class A contest at California Friday night.

Ewing Bell led the California scoring with two touchdowns, getting his first in the opening quarter on a 36-yard dash that climaxed a 54 yard march, and his second on a 68 yard run in the third period.

Bell also threw passes for the other two Trojan six pointers. His first heave was for five yards to Clyde Qualk in the second quarter to cap a 60 yard drive, and the other was a final quarter, five yard aerial to Ken Kulak to end a 56 yard march.

Late in the final quarter a swarm of California tacklers nailed Raider fullback, John Ketchum, in his own end zone for a safety.

Waynesburg picked up their lone tally in the third quarter on a 58 yard run by Kip McClure.

Score by quarters:  
California 7 7 7 8—29  
Waynesburg 0 0 6 0—6

### Hickory Downs West Greene, 12-7

Hickory High School's football squad scored two touchdowns in the second quarter and then hung on to their lead to defeat the gridders of West Greene High School 12-7 in a contest at Hickory Friday.

With second left in the opening quarter, John Kutchman blocked a Pioneer punt on the West Greene 20, picked up the bounding oval and ran to the eight before being pulled down. The first play of the second quarter was a center plunge by Warden Schwab that netted a TD.

A few moments later, Leonard Lowe recovered a fumble on the West Greene 20 and a pass from Paul Ulanich to Merle Brown gave Hickory their second, and final, tally.

The Pioneers put on a 45 yard drive in the third period to pick up their lone score. Taking over on the Hickory 45, they moved to the one yard line from where Tom Scott scored. Burns tacked on the extra point.

Score by quarters:  
Hickory 0 12 0 0—12  
West Greene 0 0 7 0—7

### Slugging Duel

—New Orleans—  
Syracuse and Louisiana State, two of the last colleges having boxing teams, are slated to slug it out during Sugar Bowl week in New Orleans.

In a contest packed with thrills from start to finish, an underdog Waynesburg College football squad battled the gridders of Westminster College to a 7-7 deadlock before a crowd of rain-soaked fans at College Field Saturday afternoon.

The contest, billed as a battle for the Class B championship of Western Pennsylvania, turned out to be as fine a game as ever witnessed on the local turf, matching two well drilled squads who never gave up in their quest for a victory.

The visiting Titans scored first on a pass from Harold Davis to Jack Barnes from six yards out early in the second quarter. The tally came on the seventh play of a series of downs which began on the Westminster 17, where they had grounded a punt.

It was on the third play of this series that Lady Luck took a hand in keeping the Westminster attack going. Davis, apparently trapped on his own 19, threw a deep pass ahead of his intended receiver, Jack Falk. Frank Gouder, defending for the Yellow Jackets, leaped to intercept, but instead tipped the ball right into the Titan's hands. Falk rolled all the way to the Waynesburg 24 before being hauled down. A run and two passes moved the oval to the six from where Davis threw a flat pass to Barnes for the TD.

An offside penalty on the conversion try proved to be the play that cost Waynesburg the victory. The placement attempt was no good but on their second try, Davis passed to Debolt for the extra point.

Waynesburg scored their TD in the third quarter on a determined drive that started on the Yellow Jacket 27. Harry Rinehart, who had entered the game a few minutes earlier, sparked the drive with a 26 yard gallop into Titan territory on the first play from that point.

Beazell and Rinehart took turns lugging the ball to the 17 and a pass from Engro put the Yellow Jackets on the Westminster 12. A delay of the game penalty against Westminster moved the ball to the seven. Beazell hit the line three straight times to move to three yard line and a first down, and then Chuck Williams took over, and after three attempts smacked over. Engro added the all-important extra point with a perfect placement.

As a result of the fact that the game was played under adverse weather conditions both squads put on a good demonstration with the defense of both standing out.

The final home game of the season for Waynesburg will be held Saturday night when ancient rival, Wash.Jeff, invades College Field.

Score by quarters:  
Waynesburg 0 0 7 0—7  
Westminster 0 7 0 0—7

### Writes of Ancient Fishes in State

Through the columns of the Pennsylvania Angler, official publication of the Pennsylvania Fish Commission, Keen Buss, one of the Commission's biologists, writes about one of the ancient fishes in Pennsylvania.

"The lampreys or lampers eels," Buss states, "represent a very primitive group of fishes distinguished from higher fishes principally because they have a cartilaginous skeleton not a bony skeleton."

"There are two types of lampreys, the parasitic type, represented in Pennsylvania by the sea lamprey, and the non-parasitic type represented by the American brook lamprey."

## Hitting the High Spots

By JACK HAMMERS

Our new system of picking the outcome of high school grid contests continued to hold up as we came up with 60 right, 10 wrong and three ties last week to push the season mark to 279 right, 88 wrong and 22 ties. The percentage mark moves still higher to .761. With the season fast running out we still have hopes of passing the 800 mark, so here's what we see for this week:

Waynesburg over Georges Jefferson over Cecil Beth. Joint over Carmichaels Dunbar over Bellmar Alderdice over South High Westinghouse over Peabody Schenley over South Hills Carriek over Olver Fifth Ave. over Langley Plum over Mars Robinson over Leetsdale Aliquippa over Duquesne Altoona over Farrell Ambridge over Trinity Brownsville over Uniontown Butler over Vandergrift Charleroi over Monongahela Clairton over Redstone Connellsville over German Washington over Donora Har-Brack over New Castle New Kensington over Latrobe Monessen over Rostraver Mt. Racing to a first quarter lead of 13-0, the Bethlehem Joint High School gridders chalked up a 26-12 WPIAL Class B victory over Mapletown High School's football squad in a game at Mapletown Friday night.

### Bethlehem Joint Tops Mapletown

Williams grabbed the first six points for the winners on a six yard dash and a few moments later Greskovich rambled 19 yards for another tally.

Bethlehem Joint added another TD in the second quarter when Nivethrth snagged a pass from Greskovich and rolled 25 yards to the end zone. The winner's final TD was scored on a one-yard plunge in the third period.

Mapletown picked up their first TD when Lewis ran six yards in the second quarter and added their second tally in the final period of play on Whipkey's one-yard plunge.

Score by quarters:  
Beth. Joint 13 6 7 0—26  
Mapletown 0 6 0 6—12

### Mt. Morris Defeats Terra Alta 19-7

Picking up two touchdowns in the first quarter, the Mt. Morris High School football squad went on to defeat the gridders of Terra Alta High School 19-7 in a game at Terra Alta, W. Va., Friday.

The Black Hawks got their first score early in the opening quarter as John Long ran 78 yards for a TD. He also added the extra point.

A few minutes later, after the Hawks had regained the ball, Willard Bolyard ran 55 yards for the second six-pointer.

The game was then scoreless until the third quarter when Carl Collins cracked over from five yards out for the final tally for Mt. Morris.

Terra Alta scored in the final quarter when Steve Hollen picked up a fumble on the Mt. Morris 28 and ran to the five, from where Jack Hollen smacked over for the TD. Friend added the extra point.

Score by quarters:  
Mt. Morris 13 0 6 0—19  
Terra Alta 0 0 0 7—7

## Jefferson High School Rockets Defeat Masontown High School Gridders, 27-6

Unleashing a powerful attack that netted them 27 points in the first half of play, Coach Steve Yourchik's Jefferson High School football squad defeated the gridders of Masontown High School 27-6 in a WPIAL Class B game at Masontown Thursday night.

Halfback Gene Virgili was the big gun in the Rocket attack as he set up, and then scored, all four of Jefferson's six pointers.

Soon after the game opened Masontown fumbled deep in their own territory and Bib Knight pounced on the oval on the Masontown 19. Two plays later Virgili slanted off tackle and ran 18 yards for his first TD.

Three plays later, Virgili intercepted a pass at mid field and ran to the Masontown 23. Five plays carried the Rockets to the three from where Virgili went over.

The third Jefferson tally also came in the first quarter and began when they took over on the Masontown 34. A pass from Virgili to Steve Ferencak put the ball on the eleven and three plays later Virgili cracked over from three yards out.

Virgili's longest and most-exciting contribution became a part of a 74 yard pass play early in the second quarter. The fleet-footed halfback took a heave from Bob Knight on the 50 yard line and outran the Masontown secondary for the final Jefferson tally.

From then on the Rocket subs battled the host eleven on fairly even terms until the last period when Viganli scored for Masontown on a one yard plunge, capping a 47 yard drive.

### Carmichaels High Defeats Pt. Marion

Racking up points in every period but the second, Carmichaels High School's grid squad scored a 26-6 win over the gridders of Pt. Marion High School at Pt. Marion Friday night.

Mailey, who scored three times for Carmichaels, got his first two TDs in the opening quarter, the first on a three yard plunge and the other on a 47 yard run. He scored his third tally on an eight yard run in the fourth period.

The Mike's picked up their other TD in the third quarter when, after a 35 yard punt return, Ellsworth went over from nine yards out.

The host eleven got their only touchdown in the first quarter after recovering a fumble on the Mike 33 and driving to scoring position with J. Miller plunging for the score.

## Social Security Tips

By HENRY HARPER

**BUSINESSMEN**—You should not accept Social Security Cards as identification when cashing checks. Anyone can go into a Social Security office and get a card without identifying themselves. These cards are issued for Social Security purposes only. So why accept something as identification when it was based only on oral statements. As a matter of fact, most Social Security Cards now carry the statement "NOT FOR IDENTIFICATION."  
**WHAT IS A FARM?**—The term "farm" includes stock, dairy, poultry, fruit, fur-bearing animals, and truck farms, plantations, ranches, nurseries, ranges, orchards, greenhouses or other similar structures used primarily for the raising of agricultural or horticultural commodities. Therefore, a "farm" can be located most anywhere—inside a city and even in your own backyard.

**DISABLED PERSONS**—You cannot get the benefit of a period of disability if the disability occurred after age 65 or is less than six months in duration. Then too, you cannot get the benefit for a period of disability unless you have worked in employment covered by the law for five out of the last 10 years and one and one-half out of the last three years before you were disabled. The law restricts this advantage to only those workers who have a substantial investment in the work force.

**FARMERS MUST BE BOOK-KEEPERS**—Farmers, if they have not already done so, should adopt a bookkeeping system to record crop and livestock sales as well as to record costs of producing the crop and other expenses. Also, they should have a schedule of depreciation on buildings, machinery and other capital assets. From such a system they will have no difficulty in ascertaining what their net earnings is from farm operations. These net earnings form the basis for future benefits. So farmers your Social Security benefits will depend to some extent on your bookkeeping.

**POP AND MOM AND THE KIDS**—Social Security covers about nine out of every 10 workers. Yet taxes should not be collected or paid when a child under 21 works for his father or mother; when a father or mother works for his or her son or daughter; by a husband working for his wife, and by a wife working for her husband. In these situations the work is not covered by the Social Security law. Such work is considered to be based on family relationship and love and affection rather than on an employer-employee basis.

**HOUSEWIVES**—The value of food, lodging, clothing and other non-cash items furnished to your maid, cook or chauffeur is not to be counted for social security tax purposes. Only cash wages count and then only when your domestic worker is paid as much as \$50 in any calendar quarter, that is, January-March; April-June; July-September; October-December. Therefore, if you do not pay a domestic worker at least \$50 in cash wages during a calendar quarter, then just forget about reporting Social Security taxes.

Henry Harper is the manager of the Social Security Office located at 180 South Main street, Washington, Pa. He has been an employee of the Social Security Administration since 1938. The Republican suggests that you write to him if you have a problem.

## Methodist Overseas Relief Increases

—Pittsburgh—  
Methodist giving for overseas relief is at the highest peak in seven years, according to a report just issued by Miss Lena Knapp, treasurer of the Methodist Committee for Overseas Relief. Contributions for the 1954-55 fiscal year total \$1,308,033. The previous high in donations for relief aid was during the three-year period from 1945 to 1948, when annual receipts for all three years was slightly above \$1,500,000.

Methodist contributions for World Service also show an increase during the first four months of the 1955-56 fiscal year over the same period a year ago. Dr. Thomas B. Lugg, Chicago, treasurer of the Methodist Council on World Service and Finance, reported \$2,002,329 received so far this year, representing an increase of 3.78 per cent over the amount received during the same period last year.

## Stassen Says Reds Don't Want War

Presidential Disarmament Aide Harold Stassen says there is "increasing evidence" that Russia hopes to win its goal of a Communist world without resorting to war.  
He told a nationwide television audience Sunday the Reds are "increasingly realizing" how disastrous a nuclear war would prove for them and the rest of the world and said an international disarmament program would aid U. S. economy.
