Three County Granges Win in State Contest

Earl Manning Killed in Auto Crash Thursday

Earl Manning, 74 years, well known Waynesburg machinist, was killed Thursday morning, September 20, in a head-on collision on Route 218, Smith Creek, about a mile south of Waynesburg.

George Dorsey, 54 years, of Waynesburg, driver of the other automobile, told state police that Mr. Manning was driving along the highway when his car suddenly swerved to the other side. Dorsey tried to miss the Manning car, but was unable to do so and the cars collided head-on. Mr. Manning was thrown to the road and the Dorsey car careened over the side of the highway and stopped against a telephone pole.

Three occupants in the Dorsey car were slightly injured. They were: Ben Ruse, 70, of Waynesburg, R. D. 4, who suffered a lacerated forehead, a cut on the right leg and several bruises and brush burns; Rose Whiteman, 66, of Waynesburg, R. D. 4, who suffered a slight injury to her right leg; and Carol Ann Scott, 21, of Waynesburg, who suffered some small cuts on chin and mouth.

Dorsey received a bump on the head and bruises of the right arm and shoulder.

Mr. Manning was pronounced dead on arrival at Greene County Memorial Hospital.

He was a son of John H. and Emma Baer Manning, and was born January 24, 1883, in Waynesburg, where he had spent all his life.

Mr. Manning had worked as a machinist on the old Waynesburg and Washington Railroad. Later he operated a lawnmower repair shop in Waynesburg for several years. When he was a young man, Mr. Manning learned the blacksmith trade with the late U. G. Inghram and later went into partnership with Mr. Inghram.

Mr. Manning was a member of the First Methodist Church. He was also a member of I.O.O.F. Lodge 469; Waynesburg Encampment 119; Lady Greene

Senate Unit OK's Postal Rate Rise

WASHINGTON — The Senate Post Office and Civil Service Committee on Monday approved a \$603 million increase in postal rates and a \$1,054,000,000 increase in pay for 1.6 million Federal employees.

Chairman Olin D. Johnston (D., S. C.), told newsmen he is confident the combined measure will clear both the Senate and House. It is expected to be debated in the Senate later this week.

The rate increase, which would include a penny rise on letters and all other first class mail, would become effective January 7, 1963.

The pay boost would take effect in two steps—one at the first pay-day after signing of the bill and the other in January 1964.

The approximately one million classified Civil Service workers would get an over-all \$686 million pay hike. The 590,000 postal employees would receive \$368 million.

The bill does not give President Kennedy exactly what he asked on either rates or pay, but it goes a long way toward his goals.

The letter rate would go from 4 to 5 cents under the first class section of the bill, postcards from 3 to 4 cents, airmail from 7 to 8 cents, and air mail cards from 5 to 6 cents.

Second class rates affecting newspapers and magazines, would be increased in three annual percentage steps in 1963, 1964 and 1965.

There would be 4 percent boosts each year on the editorial content and 10 percent increases each year on the advertising content.

Webster Named Highway Head In Greene County

Tom Boyd, chairman of the Greene County Democrat Committee, has announced the appointment of William H. Webster of Waynesburg, R. D. 3, as superintendent of highways for Greene County.

Mr. Webster started with the highway department in 1928, having served as general foreman, assistant superintendent of the Works Project Administration, supervising construction of roads and bridges. He has been employed by contractors in road and bridge construction, and was named an assistant superintendent in the department of highways in June 1961.

Mr. Webster replaces Charles Rohulich, who was promoted to assistant district maintenance engineer at District 12 Headquarters in Uniontown.

Charles Plasko will be retained as principal assistant superintendent at the Greene County office.

Plants Now in Astronaut Act

HANOVER, N. H.—When some future astronaut strides to the launching pad and a voice calls, "Don't forget to water the plants," chances are it won't be a gag.

A Dartmouth College botanist says plants may provide the oxygen needed in longhaul space flights and may also be a minor source of food for astronauts.

Prof. Charles J. Lynn is engaged in plant research under a \$50,000 National Aeronautics and Space Administration (NASA) grant at the Hanover school.

Though the Russians claim their cosmonauts can withstand prolonged gravity-free conditions, experiments Mr. Lynn has made show the same is not true of plants.

"They go crazy," he said. In the absence of gravity, the plant roots often sprout "up" instead of down" and the branches flop like the ears of a winded rabbit.

Mr. Lynn has grown plants under simulated gravity-free conditions. A plan he devised showed that plants could be grown erect and healthy in space as well as on earth.

He is now trying to find ways to grow the plants from seedlings as his simulated space vehicle orbits in his laboratory.

Professor Lynn is concerned with the vibrations in an actual spacecraft. He says they have a "disastrous effect" on his young seedlings.

To avoid these pitfalls, he believes research may reveal ways for astronauts to apply suitable chemicals to the plants at just the right time in the right concentration and at the right places on the plants.

Speakers for Morgan Dinner

Congressman Wayne L. Hays of Ohio will be the main speaker for the testimonial banquet for Congressman Thomas E. Morgan to be held at 7:30 p. m., Saturday in the Clarksville Fire Hall.

Other speakers will be Waynesburg College President, Dr. Paul R. Stewart; Joseph Yablonski, international board member of the United Mine Workers of America, and State Senator William J. Lane.

J. Dean Polen of Avella, will be the toastmaster.

Youth Injured In Football Contest

Walter Vincent Dulaney, 14, son of Mr. and Mrs. Walter V. Dulaney, of Spraggs, R. D. 1, suffered a fractured ankle Sunday in a neighborhood football game near his home.

The youth, a sophomore at Waynesburg High School and a member of the high school band, was treated at Greene County Memorial Hospital. He returned to school Tuesday on crutches.

JFK-Khrush Parley in U. S. Is Predicted

BELGRADE — A qualified Eastern European source has predicted a Kennedy-Khrushchev summit meeting would be held in the United States sometime before Christmas.

The source said his prediction was based on what he described as the fact that Soviet Premier Khrushchev had now decided to go to New York later this fall to attend part of the current United Nation's assembly meeting.

If Khrushchev is in New York, a meeting with President Kennedy either in New York or Washington is inevitable, the source added.

There have been rumors that Khrushchev had a trip to the U. N. in mind. However, U. Thant, the acting U. N. secretary general, told a news conference in Vienna earlier this month that the Soviet leader was undecided on the question.

At that time, Thant was returning to New York from a visit to Moscow, Warsaw and Prague.

The source said the Soviet leader's decision had been made after Thant's visit. However, he added that no exact dates had been set for the trip.

Lincoln Shrine Now British Bar

SWANTON MORLEY, England—For years, American tourists have been trooping to this tiny English village to gaze fondly at the site of the home of Abraham Lincoln's forebearers.

The National Trust, custodian of Britain's historical sites, reported Tuesday they've all been looking at the wrong spot.

The Real Lincoln home—or what's left of it—now is part of a tavern a quarter-mile away.

The story begins in 1615, when Richard Lincoln, a resident of Swanton Morley, signed a will cutting off his eldest son, Edward, without a shilling.

Three of Edward's sons, thus impoverished, emigrated to America. One, Samuel Lincoln, founded a family that gave birth to the American Civil War President.

In 1944, 300 years later, Col. John Leslie, of nearby Brancaster, came upon a manorial map dated 1692 and found what he believed to be the site of Richard Lincoln's old home, now occupied by an orchard.

Leslie bought the land and turned it over to the National Trust in a ceremony at the U. S. Embassy.

In 1945, an architect did some

SAR Hears History Professor Speak

Dr. William Dusenberry, professor of history at Waynesburg College, spoke on Nathan Hale at the monthly meeting of the Fort Jackson Chapter, Sons of the American Revolution, Waynesburg.

J. Warren Jacobs, a former student at Waynesburg High School and now a freshman at Waynesburg College, read his prize-winning paper on the "Life of James Madison." Jacobs won first place in a contest conducted by the Fort Jackson Chapter to emphasize history.

Thomas Longstreth, president of the chapter, and W. I. Johnson, secretary, presented an appeal to the members to increase the membership of the organization.

Longstreth said there are many county men who are eligible through family lineage to join "this patriotic society."

Van Zandt Makes Charges Clark Works Against State

High Flying Campaigner

Campaigning nightly in widely scattered Pennsylvania communities and maintaining his almost perfect voting record in the House in Washington would be all but impossible for Congressman James E. Van Zandt if it were not for this sleek twin-engine airplane. Here the Republican nominee for U. S. Senator is

shown pinning a campaign button on his pilot, James Lytle, Altoona businessman, who also is the owner of the plane.

Together Congressman Van Zandt and Lytle have logged more than 66 hours in the air, covering well over 10,000 miles, between July 19, and mid-September.

Representative James E. Van Zandt, of Altoona, Republican nominee for United States Senate speaking at a rally Wednesday night in the Waynesburg Post, Veterans of Foreign Wars home, charged that his Democratic opponent incumbent Senator Joseph Sill Clark by-passed many legislative proposals benefitting Pennsylvania, but "worked tirelessly" for programs sponsored by the "left-wing" Americans for Democratic Action.

Mr. Van Zandt, who has served 20 years in Congress, is the only man ever to have been elected national commander of the Veterans of Foreign Wars three times.

He saw service in both World Wars and also the Korean conflict. In 1960, Mr. Van Zandt was placed on the retired Naval Reserve list with the rank of rear admiral.

Mr. Van Zandt was introduced by E. Bryan Jacobs, chairman of the Republican County Committee.

Many representatives from Veterans of Foreign Wars posts in the district were present.

Mr. Van Zandt cited two instances in which Clark voted for programs considered by Republicans to be contrary to Pennsylvania's interest.

He said Clark voted for the Kennedy Administration's farm bill, which was opposed by many Pennsylvania farmers, and supported the proposal for a reactor plant in Hanford, Wash., a project resisted by the coal and other industries in Pennsylvania.

"And, what about his vote for the Hanford reactor plant in the State of Washington, which was opposed by the coal and other industries in Pennsylvania? In the House of Representatives, Hanford was opposed, 28 to 2, by the Pennsylvania delegation, including 12 of the 14 members of Clark's own party. He worked tirelessly on that—for the State of Washington.

As to the situation in Cuba, Mr. Van Zandt charged that his opponent is "just as soft on Red Cuba as he is on Red China."

He said Clark "dodged the issue" last week by absenting himself from a Senate vote on a resolution calling for stern measures to deal with Soviet infestation of Cuba.

Clark has consistently advocated recognition of Red China by the United States and admission to the United Nations.

Candidates Attorney Albert A. Sayers for Assembly, Jerome Hahn for Congress and Charles Bradshaw for State Senate were introduced and spoke briefly.

Mr. Van Zandt arrived here by plane landing at the County Air port.

Democrats to Hold Dinner Dance

Tom Boyd, chairman of the Greene County Democrat Committee, has announced that the annual Greene County Democrat Committee dinner-dance will be held on Saturday, October 13, at the Clarksville Fire Hall, beginning at seven o'clock.

District Attorney Glenn R. Toothman will be toastmaster. Principal speakers will be Representative Stephen McCann, candidate for lieutenant governor, and Honorable Earl S. Keim, candidate for judge of the Pennsylvania Supreme Court.

Barn Becomes Novel Church

ELLCOTT CITY, Md. — The new Columbia Hills Community Lutheran Church southwest of here is as big as a barn—in fact, it was a barn before the Rev. Christian Neumann saw the possibility of converting it into a church.

"It is not too far from reality to believe that the children's song, 'Old MacDonald Had A Farm,' will become the future vacation call for urban dwellers all over the country.

Edna B. Long Named Auditor For County

Mrs. Edna B. Long, of 501 Route 88, Carmichaels, has been appointed to the Greene County Board of Auditors to fill a vacancy created August 31, by the death of Frank G. Huston of Carmichaels.

The appointment was made Monday by Judge J. I. Hook.

Mrs. Long, the widow of Reed M. Long, is a Republican and a former Republican committee-woman from Cumberland Township.

The other two auditors, both Democrats, are Levi Fuller, of Waynesburg, and W. D. Goodwin, of Carmichaels.

Local Woman Hurt In Fall At Home

Mrs. Herman Rinehart, well known resident of Morrisville, suffered a fractured hip Wednesday when she fell as she was stepping off a ladder in her home.

She was alone at the time but managed after a half-hour to get to a telephone to tell relatives of her plight. She was admitted to Greene County Memorial hospital.

Mrs. Rinehart worked at various times as a linotype operator in various Waynesburg print shops and in newspaper composing rooms.

U.S. to Keep Watch On Soviet Base Located in Cuba

WASHINGTON — The United States pledged a close watch Wednesday on the new Soviet fishing base to be built in Cuba as concern mounted over its potential threat to national security and the Western Hemisphere.

The State Department voiced apprehension, some Congress members attacked American and European handling of the Cuban issue, and defense sources cautioned that the Soviet facility could threaten the Panama Canal.

Cuban Premier Fidel Castro disclosed Tuesday that the Soviet Union would finance and use a port to be developed in Cuba for fishing fleets of both nations.

The dock and facilities for 115 to 130 medium trawlers is to be in Havana Bay, where Soviet crews would instruct Cubans in using vessels equipped with mod-

Hitchhiked Back to Prison

KINGSTON, Ont.—Christopher Hanley, 28, broke out of Kingston Penitentiary and began hitchhiking. A car picked him up and drove him right back to prison. The car was driven by a prison guard on his way to work.

Henning Envisions Pennsylvania Farms As Year 'Round Vacation Mecca

HARRISBURG — Pennsylvania farms can very well become a mecca for city dwellers seeking a relaxed year 'round vacation resort, State Secretary of Agriculture William L. Henning said recently on the basis of current population trends and farm facilities in the state.

"Over 2.7 million people live in the rural areas of the Commonwealth," Dr. Henning said. "Much to the surprise of most people, our state has the highest total rural population in the nation. In addition, our farms are highly diversified and are important to the economy of all areas in the state.

"It would appear to me," the Secretary continued, "that a great vacation and tourist potential is just waiting to be developed in our rural areas. We have the climate, the land, the facilities, and the people."

He suggested that farmers could convert large farm homes into "dude ranches" thus offering restful vacation homes and possibly featuring horseback riding, hiking, or just taking it easy by feeding the chickens. Farms also could offer the type of vacation resort that would allow a

family to relax together. Another advantage of farms for vacation sites is their proximity to all urban areas.

The Secretary singled out Lancaster County as an impressive agricultural area and commented:

"The farm scene in Lancaster County is one of great diversity. Not only do the farms contribute heavily to the overall agricultural situation in the state, but they have earned a reputation as a tourist attraction for the area.

"Agriculture is important in nearly all our counties and if tourists are interested in specialties, they can find fruit orchards in Adams, Erie and Franklin Counties, dairy farms in Lancaster, Bradford and Susquehanna Counties, sheep in Greene and Washington Counties, livestock and poultry in Lancaster and York Counties, and potatoes in Lehigh and Erie Counties.

"It is not too far from reality to believe that the children's song, 'Old MacDonald Had A Farm,' will become the future vacation call for urban dwellers all over the country.

Dog Is Man's Best Friend, But Man Is Not Always Dog's Best Friend

This is National Dog Week founded in 1928, by Captain Will Judy for many years editor of "Dog World," and a group of nationally known sportsmen.

The objectives of the week are:

A good home for every dog. Elimination of stray dogs from the streets.

Cultivation of a sympathetic consideration of dogs and all other animals.

Emphasis on the usefulness of

the dog, particularly as protector, guard and children's companion.

Better informed dog owners. Fair legislation governing dogs and their owners.

Regard for the rights of non-dog owners.

National Dog World is now under direct supervision of Pet Food Institute, 333 North Michigan avenue, Chicago, Ill. Anyone may contact the institute for information and instruction free of charge.

Waynesburg College Adds Nine New Faculty Members

Nine persons have been added to Waynesburg College faculty this fall, according to Dr. Paul D. Walter, academic vice president.

They are Dr. Howard D. Blank, Mrs. Rita Bruce, Dr. William Clement, Dr. William Dusenberry, Dr. Paul Drummond, Mrs. Virginia R. Fishel, Miss Ann R. Hoke, Dr. John A. Laswick, and Dr. Fred McEwen.

Dr. Dusenberry joined the faculty in February.

Dr. Blank, who resides in the Bonar Apartments, is an assistant professor of psychology.

He received his B.S. degree in education and psychology in 1926 from Albright and his Ph.D. in 1953 from the University of Pittsburgh. He was salutatorian of his high school class and valedictorian of his college class. Dr. Blank spent 12 years in public school teaching and administration. For the past 27 years he has been a counseling psychologist with the U. S. Federal Government Service.

He is married to the former J. Ruth Curry and they are the parents of five sons, John, 38, psychiatrist; H. D. Jr., 36, sugar broker; Dewitt, 34, engineer; Robert, 31, engineer; and Curry, 27, banker.

He is a member of Phi Delta Kappa National Education Association, Pi Gamma Mu (National Science Association), American Personnel and Guidance Association, National Vocational Guidance Association, and National Vocational Rehabilitation Association.

Mrs. Bruce, who resides at 87 East Franklin street, is an instructor in the Department of Education and Psychology.

She is a graduate of Slippery Rock State College with a B.S. degree in Health and Physical Education in 1951, and of the University of West Virginia with

an M.S. in Health Education in 1956. At the present she is working toward a Doctor of Education degree at West Virginia University.

Miss Bruce's previous experience included positions at California High School, Monessen High School, and the University of West Virginia.

She is married to Wallace G. Bruce, Roscoe, and has two children, Vicki, 13, and John, 3.

Dr. Clement, 174 Elm street, is an assistant professor in chemistry.

He graduated from Gettysburg College with an A.B., summa cum laude in 1954. He received his M.S. and Ph.D. degrees from the University of Delaware with a major in organic chemistry.

Dr. Clement was first in his undergraduate class of 227 with an average of 2.97 of a possible 3.00. He won highest departmental honors, the Stine Chemistry Award, was vice president and secretary of Phi Sigma Kappa. During graduate school he was an E. I. Dupont Fellow.

He is a member of Phi Beta Kappa, Sigma Xi, and the American Chemical Society.

Dr. Clement has been employed by Gulf Research and Development Company at Harnsville, Pa., since October 1959, doing fundamental research in organic chemistry. His military service was as first lieutenant in the U. S. Army Chemical Corps.

Dr. Dusenberry of 53 South Morris street, is a professor and acting chairman in the Department of History.

An alumnus of Waynesburg College, Dr. Dusenberry received his baccalaureate degree in 1932, and his Ph.D. degree from the University of Michigan in 1941. Dr. Dusenberry, who was an associate professor of history at the University of Pittsburgh, is considered an expert on Latin American history.

He has published more than a dozen articles in professional journals and is a member of a number of professional organizations and learned societies.

Dr. Dusenberry is a native of Carmichaels and has been chosen to write the history of that borough.

He was the recipient of the annual book award of the Agricultural History Society of the United States in 1962. The prize-winning entry by Dr. Dusenberry was entitled, "First American Stockmen's Association: The Mexican Meste, a study in the administration of ranching in Colonial Mexico."

Dr. Drummond of 348 North West Street, is an assistant professor of geology.

An alumnus of Waynesburg College, Dr. Drummond received his B.A. degree in English in 1949. He entered Columbia University School of General Studies in 1950, taking courses in undergraduate geology.

Dr. Drummond was accepted by the Columbia University Graduate School of Geology in 1951. He received his Ph.D. in 1955 with a major in mineralogy. He did mineralogical research for Texaco, Inc., on the heaving shale problem encountered around some southern Louisiana Salt Domes. This was the subject of his doctoral thesis.

Following his graduate work Dr. Drummond was hired as petroleum geologist by Texaco, Inc., and spent two years in exploration and development work on the Salt Domes of the Texas Gulf Coast stationed in Houston. Dr. Drummond was later transferred to Tyler, Texas, where he continued similar work with East Texas Basin Salt Domes.

He is a member of Sigma Xi, Geological Society of America, American Association of Petroleum Geologists, Mineralogical Society of America, and East Texas Geological Society.

Mrs. Fishel of 240 North Belle field street, Pittsburgh, is an assistant librarian. She received her B.A. degree in 1918 from Ohio State and her M.A. in

1950 from the University of Pittsburgh. She studied her professional library science training at Carnegie Tech.

Mrs. Fishel worked 12 years in Carnegie Library, Pittsburgh, six of which were in the reference department. For 18 years she worked at the Carnegie Library School. For ten years Mrs. Fishel was a visiting associate professor in the Department of Library Science at the University of Michigan Summer School.

She is a member of the Library Association of Pennsylvania and the American Association of Library Schools.

Miss Hoke of 265 Wagner Road, Morgantown, W. Va., is an instructor in English. She received the Bachelor of Arts degree with honors from West Virginia University in 1960. Her major was in English Literature with a minor in French.

Miss Hoke was president of Mortar Board, national senior women's honor society, during her senior year.

She received the Master of Arts degree with a major in English and a minor in philosophy from Vanderbilt University in 1961.

During the past year she has been studying English literature and French at Bedford College, University of London, on a Rotary Fellowship for International Understanding. Most of her teaching will be in English and World Culture at the college's center in Uniontown.

Dr. Laswick of 154 1/2 West High Street, is an assistant professor of chemistry.

He was graduated from the University of Colorado in 1954 and was second in a class of 475 receiving the Bachelor of Arts magna cum laude in chemistry. Dr. Laswick received the Ph.D. degree with a major in inorganic chemistry and minors in analytical and physical chemistry from Cornell University in 1959.

He is a member of Phi Beta Kappa, Sigma Xi, Phi Lambda, the Federation of American Scientists, and the American Chemical Society. Dr. Laswick is a veteran of the U. S. Army and has published articles in the Journal of the American Chemical Society.

Dr. Fred McEwen, the Bonar Apartments, is an associate professor of English and will be the co-ordinator of freshman composition. He is a native of Pittsburgh. Dr. McEwen received his B.A. degree in English from Allegheny College. Following this, he spent two years in the U. S. Army, on a tour of duty that included France and Germany.

On his return to civilian life in 1953, Dr. McEwen entered the University of Pittsburgh Graduate School of the Humanities, earning an M.A. in English in 1955, and a Ph.D. in 1961. During his study at Pitt, he taught courses in literature, composition, business English, and technical writing.

He was also Assistant to the Dean of the School of General Studies, Dr. Viers Adams, in which position he wrote the publication for the school's students and alumni and helped with the formation of the school's early policies and administration.

For one year, Dr. McEwen was editorial consultant for the Public School Digest, a publication of the Tri-State Area School Study Council, an organization administered by the School of Education at the University. During the year 1961-62, Dr. McEwen held the post of assistant professor of English at Morris Harvey College, Charleston, W. Va. He has published a number of articles.

Dusk-to-Dawner — Private Street Lamp

Families in this area can have an individual street light that comes on at dusk and stays on till dawn for just a few cents a night. The modern Dusk-to-Dawner makes driveways and walks easier to find and safer to use in good weather as well as on dark, rainy nights. It banishes creepy shadows and makes people feel a lot safer when coming home late, especially if there are shadowy areas between the garage and the house.

The Dusk-to-Dawner acts as an all-night watchman, standing guard over property all night long. An electric eye turns it on as darkness approaches and off the next morning, automatically. It adds night-time beauty and prestige to homes, too. And it enables families to spend more evening hours outdoors—gardening, farming, or entertaining.

Available in a mercury vapor type, this individual street light

is ideal for rural and suburban areas. Many families share one or more of these modern street lights at the entrance to their lot plans. It offers excellent protection for summer cottages, too. The Dusk-to-Dawner also provides good night lighting for stores, motels, gas stations, restaurants, church and school parking areas.

West Penn Power will furnish the light with built-in photoelectric cell, install it on existing company facilities, and maintain it—even to replacing bulbs. There is no down payment or purchase payment, and the monthly flat rate is only \$3.75 for the standard size, general purpose 3300 lumen mercury vapor lights. The electricity used by the light doesn't go through the electric meter. The total cost is included in the monthly charge. A higher output lamp is also available for an additional 75 cents a month.

'Dog Hero of The Year'

LOS ANGELES—A California dog is the nation's "top hero dog of the year!"

"Beggars," a 165-pound St. Bernard from Sacramento that rescued her three-year-old master from drowning, won a \$1,000 bond as she was declared the "National Dog Hero of Heroes."

The huge dog, which last May

leaped into the swollen American River and pulled Bobby Mitchell, three, out of the turbulent tide, was judged this honor over 56 other heroic canines from 30 other states in a nationwide competition.

Mr. and Mrs. Robert D. Mitchell will also receive the coveted gold medal, symbol of America's most heroic dog which is given annually. The happy canine will recline on a custom-made dog blanket.

U. S. Farmers Produce Best Food Dr. Larson Says

UNIVERSITY PARK, Pa. — "American farmers are producing some of the best food in the world today," says Dr. R. E. Larson, director, Cooperative Extension Service of the Pennsylvania State University.

This high-quality food contributes to better diets, now one of the big reasons why children are growing taller and sturdier grandparents were at the same age. The good nutrition that brings better health also helps a child reach the full body build that his inherited genes allow him. For example, a nine-year-old boy today averages an inch or more taller than a boy a generation ago.

Another benefit from this high-quality food is the longer life expectancy, Dr. Larson points out. In 1900, life expectancy in this country was about 47 years. Today it's around 70. But in many countries where malnutrition and disease take heavy tolls, life expectancy is 35 to 45 years.

"We can look to the striking decline in infant deaths as one of our greatest accomplishments," Dr. Larson states. "Infant mortality in 1961 was about 25 in 1,000. Better nutrition for mothers, plus good medical care, has played an important role."

"With farmers growing higher quality crops and livestock, we're getting more dividends in health from the food we eat," he adds. "But as a nation, our main nutritional fault now is that we're inclined to enjoy too many calories."

A searching party failed to find young Bobby after he disappeared.

It was a Boy Scout troop, camped along the American River, who finally spotted the lad and Beggar, both soaking wet, a few feet from the river bank.

WAYNESBURG REPUBLICAN

"My convenient ELECTRIC DRYER makes washday a breeze,"

says Mrs. Walter Chapman, Clarion, Pa.

"Since we did without a dryer for a year after moving into our remodeled home, I really appreciate its convenience," Mrs. Chapman says. "Clothes come out soft, fluffy, and require less ironing. And they actually smell 'sunshine fresh'—without all the work of hanging clothes outdoors."

Because the electric dryer is flameless and requires no flue, Mrs. Chapman has her laundry equipment in the kitchen where it's most convenient for her.

See your dealer about a flameless ELECTRIC DRYER.

WEST PENN POWER

"Washday's a breeze with the electric dryer," says Mrs. Chapman. "It's so easy that Janice can do the laundry herself."

CARMICHAELS

Mr. and Mrs. W. S. Sands were business callers in Morgantown, W. Va., on Monday.

Mr. and Mrs. Clarence Thompson left Thursday morning to spend a week with Mrs. Thompson's parents, Mr. and Mrs. Leonard Brashear of Laytonville, Md.

Mr. and Mrs. Roy Titus spent a few days over the weekend with their son and daughter-in-law, Mr. and Mrs. Gordon Titus of Cleveland, Ohio.

Mr. and Mrs. T. L. Titus spent a few days over the weekend visiting their sons and daughters-in-law, Mr. and Mrs. Marlon Titus and Mr. and Mrs. Robert Titus of Glenn Burnie, Md., and Mr. and Mrs. Claude Titus of Baltimore, Md.

William English, who had spent the past three months with his son and daughter-in-law, Mr. and Mrs. Emmerson English of Wexford, returned to his home with his son and daughter-in-law, Mr. and Mrs. Harry English, Thursday.

Mrs. Lynn Corl was a business caller in Washington, Thursday.

Mrs. Katherine Roupe and daughter, Mrs. Pearl Ramey and children of Washington, visited their daughter and sister, Mrs. Louis Stuler, over the weekend.

Mr. and Mrs. Michael Morris and children of Cadiz, Ohio, visited Mrs. Morris' parents, Mr. and Mrs. Don Miller, over the weekend.

Corporal Robert Stillwell of Camp Hill, Va., is spending a ten-day leave with his mother, Mrs. Frances Stillwell.

William Swartz attended the races at Heidelberg, on Sunday.

Sfc. John W. Snyder returned to Fort Hood, Texas, Saturday, after spending a week with his parents, Mr. and Mrs. Elmer Snyder.

Mr. and Mrs. John McOsker and son, Michael of Newark, Ohio, spent the weekend with Mrs. McOsker's parents, Mr. and Mrs. William Helmick.

Mr. and Mrs. Guy Linza and son, Joseph of Arlington, Va., visited Mrs. Linza's parents, Mr. and Mrs. Steven Zoldos, over the weekend.

Mr. and Mrs. Jay Schmonsky and children of Ambridge, visited the latter's parents, Mr. and Mrs. Charles Flowers, Sunday.

Mr. and Mrs. Harry Nicholson, Mr. and Mrs. Sanford Clister and Mrs. Dorothy Harris visited their mother-in-law and mother, Mrs. Katherine Clark, a patient in Jamison Memorial Hospital, New Castle, Friday.

Mr. and Mrs. Frank Egger of Waynesburg, visited the latter's aunt, Mrs. Ethel King, Sunday.

Mrs. Ross Barber and Mrs. Elizabeth Houston and son, Chuckie, were callers in Waynesburg, Saturday.

ENON

Mr. and Mrs. Warren Scott and daughter, Jean of West Finley, R. D., visited Mrs. Eliza Kidney of Coudersport, Pa., and also called on Rev. and Mrs. James H. Reynolds of Knoxville, Pa.

Mrs. Alberta Wise entertained in her home at dinner in honor of her daughter-in-law's birthday, Mrs. Warren Wise. Guests were Mrs. Ida Wise, Warren Wise, Mr. Keith Wise, and son, and the honor guest, Norma Jean. A birthday cake centered the table.

Mr. Dwight Grandstaff of McConnelsville, Ohio, and Mr. and Mrs. Steve Smith and children visited the formers brother and sister-in-law, Mr. and Mrs. Dewey Grandstaff.

Roger Scott, son of Mr. and Mrs. Winson Scott of West Finley, R. D., who enlisted in the U. S. Air Force for four years, left Monday for Texas, where he will take his basic training.

Mrs. Ida Wise returned home after spending a few days with her sister and brother-in-law, Mr. and Mrs. C. B. Clutter of Burnsville.

Visitors of Mr. and Mrs. Harry Coffield and Mrs. Anna Burns were Mrs. Mary Burns of Kidron, Ohio, Mr. and Mrs. Harry Atkinson and family of Library, Mr. and Mrs. Harry Burns of Wind Ridge and Mr. Lloyd Burns of Alliquippa.

Mr. and Mrs. James Statler and family spent the weekend with Mr. and Mrs. G. M. Statler of Core, W. Va.

Mr. and Mrs. Jack Dye and son spent a few days vacation with Mr. and Mrs. Dewey Stagers.

Mrs. Wilma Scott entertained at dinner Sunday in honor of her son, Roger. Mr. and Mrs. Duane Scott and son, Mrs. Bernice Phillips and two grandchildren, Winson and Helen Scott. Afternoon visitors were:

Mrs. Grace Huffman and daughter, Elaine, Pauline Wise, Ruth Ann McCollum, Mr. and Mrs. Earnest Crouse and daughter.

Mrs. Arleigh Ealy spent a few days with Mrs. Peters of Waynesburg.

Mrs. Etta Shaw is spending some time with her son and daughter-in-law, Mr. and Mrs. Floyd Shaw.

Mr. and Mrs. William Emph were Saturday evening dinner guests of Mr. and Mrs. John Barnhart.

Sunday dinner guests of Mr. and Mrs. James Statler were Mr. and Mrs. Delbert Miller and son, Mr. and Mrs. John Bell, Mr. and Mrs. Lindsey Maine, James, George and Kenny Maine, Ruth Ann Fedaker.

Edith Ewing and daughter, Mrs. Calvin Kimmins and son, visited Maude Kearney on Thursday evening.

Mr. and Mrs. Morgan Stollar visited Sunday with Mr. and Mrs. George Miller.

Mr. and Mrs. Alex Craig and children were weekend guests of Mr. and Mrs. Alvin Craig.

Friday evening visitors of Mr. and Mrs. John Livingood were Maude Kearney, Cecil Livingood, Frank and George Livingood of Washington.

College to Begin Its Kindergarten

The Community Kindergarten operated by the Waynesburg College will begin Monday, October 1, 9:00 a. m., in the Parish House of the Presbyterian Church, North Richhill street.

Two groups of youngsters will be accepted: those who will be entering the first grade in 1963; and those who are four years of age before October first.

The theme for the fall session will be "Our Community and Community Helpers." Activities will include story-telling, music, informal dramatics, creative activities, and recreation. The older group will use workbooks and will learn simple number concepts.

To receive a registration form, call Waynesburg College, phone 500, and leave your name and address with the switchboard operator. A letter containing additional information will accompany each registration form.

Cost of Living Increases In State

HARRISBURG — The cost of living in the second quarter of 1962 rose by 0.2 per cent in Pennsylvania, the state Labor and Industry Department reported.

Secretary A. Allen Sulcove

noted the increase was below the 0.3 increase in the nation.

Food prices increased 0.8 per cent during the last three months. Sulcove attributed the rise chiefly to higher seasonal prices for such fresh fruits and vegetables and certain cuts of meat.

SAFE DRIVING TIPS

KEEP PENNSYLVANIA "THE SAFE DRIVER STATE"

By Using Seat Belts

In automobile accidents, most fatal injuries occur when occupants of a car are hurled against the steering wheel, windshield or instrument panel, or are ejected through opened doors. Seat belts can significantly reduce such injuries and help save your life!

The cost of installing seat belts is small compared to the protection they offer you and your loved ones. Equip your car with seat belts, and, more important, be sure that seat belts are fastened before you start the engine!

If every motorist had observed this suggestion last year, at least 443 lives — 40% of all fatalities in automobile accidents — might have been saved!

NATURAL GAS MAKES AUTUMN NICER

AUTUMN
 is a grand time of the year.
 The days seem rounder, softer.
 At dusk, a sweet cool breeze drifts through the trees and over the grass and into the house.
 Sleep is full, deep-breathed, refreshing.
 Yes, autumn is a nice time of the year.
 In the fall at times, the warmth of day goes flying into a cloudless night. In the quiet hours before dawn, a chill seeps through the house. The house could be—as grandmother used to say—"like an ice box."
 But while you sleep soundly, a trusty thermostat stays alert. At its command your gas furnace sends heat swiftly through every room. When you awake, the house is warm and cheerful.
 That's nice.
 And when you walk out in the morning, ready to do battle, the air is clean and invigorating. The soot that once grimed the atmosphere is gone. The widespread use of natural gas has made the skies clean and clear.
 That's nice.
 And gone, with no regrets, is that annual awesome chore of hauling winter fuel into a musty cellar. Now you can relax as fall blends inexorably into winter.
 Truly, natural gas makes autumn nicer.

EQUITABLE Gas COMPANY

Yellow Jackets Paste Geneva; Lead West Penn Conference

After the 33-6 set back that Waynesburg handed Geneva in both team's opener, Coach Pete Mazzaferro says, "we were very pleased with the team's performance. However, we didn't expect such a lopsided score."

Last year, Geneva upended Waynesburg in a 14-0 contest. The closest that Waynesburg has come to beating Geneva in the past six seasons is a 19-19 tie in 1957. The previous series results show that Geneva has edged Waynesburg in the number of games either team has won. (Geneva 19 wins, Waynesburg 16 wins). There has been three ties between these teams.

The turning point of the game was the intercepted pass early in the second quarter. Wayne Fullerton, playing an exceptionally good defensive game, intercepted one of Dan Frasier's passes on the Jacket 30 and traveled to the opposite end zone for the first score of the game.

"The offensive and defensive teams did well. Coach Hardisty's pass defense worked especially well. Wayne Fullerton and Bon Everson worked hard and well in the pass defense," Coach Mazzaferro said.

The coach continued: "I feel that the passing attack was good. Our passing is a little ahead of the running game. Wayne Fullerton and Jim Laurent and Bob Everson were outstanding in the backfield. On the line, transfer student, Bill Hogan did a good job."

"Rock Eckley stood out on the line. Freshman Harry Mills is the most promising freshman at the tackle post."

"Ferris Institute, our next opponent, does not have a lot of bench depth. They do well, however with their offense. They are well trained and drilled in their offense and defense. They are not heavy, but they are fast," reflected Coach Mazzaferro, in view of the coming

game with Ferris Institute on Saturday night, September 29. Ferris will fly to Pittsburgh on Saturday morning and travel by bus to Waynesburg. They will bring a 28-man squad.

Since Saturday's game was the only one played in the West Penn Conference, the Yellow Jackets enjoy first place.

Westminster, defending champion, does not swing into action until October 6.

Halfback Wayne Fullerton is the early scoring leader with two TDs for 12 points. Jim Laurent, Yellow Jacket quarterback, paces the conference in TD pitches with three.

Waynesburg 0 14 13 6-33
Geneva 0 0 0 6-36

11 West Penn Harriers Back In Action Now

Eleven of the first fifteen finishers in last season's West Penn Conference Cross Country Meet are back in action this fall.

Carnegie Tech and Grove City each claim four of the star returnees. Westminster has three back and one missing through graduation.

Geneva has lost all three of its men who finished in the top fifteen last fall.

Tech, which won the meet last season, has champion Mike Campbell and third-place finisher Andy Niedra back in action. Also back are Tom Bednarz (10) and Paul Flacker (12).

However, coach Carl Olson's harriers cannot repeat as the Tartans have dropped from the West Penn Conference.

Returning for Westminster are runnerup Sam Williams, Andy Warren (8), and Ed Pollock (14). Lost to the Titans by graduation is Tom Truxell (9).

Back to boost Grove City's hopes are Bill Nottleman (5), Dave Kozlowski (6), Chuck Perrine (13), and Jim Shaver (15).

Missing from the Geneva team will be Mel Vos (4) and Jim Wilson (7) through graduation and Andy White. (11) who is sitting out this campaign.

Waynesburg did not place any men in the top 15 last season and Duquesne and St. Francis did not compete in the conference meet.

Competition — for both team and individual honors—appears to be plenty tough this season. Each team meets every opponent for a full six-meet conference dual slate. Tech wins will not count for the Tartans; however, teams that beat the Pittsburgh club will be credited with two points.

Last season Tech and Westminster tied for the dual meet crown with 5-1 records. Westminster tied for the dual meet crown with 5-1 records. Westminster beat Tech, but lost to Geneva.

Four of the last season's top four runners are back, seven of the top ten, and 11 of the top 15.

Of the eleven returning only one is a senior—Campbell.

Five are juniors including Williams, Niedra, Kozlowski, Bednarz, and Pollock.

Five runners will be trying to beat the sophomore jinx. They are Nottleman, Warren, Flacker, Perrine and Shaver.

Raiders Suffer Second Defeat; Fort Cherry Next

Waynesburg High's Red Raiders suffered their second defeat Saturday night, losing to North Union 15-0.

The Raiders were the underdogs by four or five touchdowns, but they put up a good battle. North Union is undefeated.

Stan Bodmar scored first for North Union on a 49-yard run. In the second period, Alstin broke away for a 41-yard chase to the end zone. The score stood at 13-0 until the last quarter when North Union racked up two more by nailing a Raider in his own end zone.

Waynesburg will clash with Firt Cherry here Friday night.

Sitting, left to right — Bob Gary, Wayne Fullerton, Bill Stohl, Jim Laurent, Paul Stanek, Bov Eckley, Jim Chilko, Rich Milchak, Tom Zumbrook, and Bob Perkarsky. Second

row—same order, Harry Theofiledo, Royal Hoffman, Bo Everson, Gerald Washington, Harry Miles, Mike Zrimm, Lawrence Rock, Larry Boyer, George Wilson and Rich Gall-

lard. Third row—Dave Stone, Jim Scullli, Ted Ankeney, Jared Heller, Toby Miller, Bill Hogan, Barry Swift, Jim Stone, Rick Hasley and trainer John Kuczynski. Fourth row

—Assistant coach Bill Nedde, managers Don Felck and Gary Wright, Ray Rataiczak, John Guna, Tony Lettieri, Jerry Pozzani, Bernie Tennant, Harry Brehm, assistant

coach Bill Hardisty, and coach Pete Mazzaferro. Picture and identifications are through the courtesy of Waynesburg College "Yellow Jacket."

Record Holders In Women's Program Of Track Club

Two girls named Barbara — Kennedy and Tennant — are the top record holders in the women's program of the Greene County Track Club.

Both girls own half the individual standards in their age divisions and both ran legs on the relay teams that set club marks.

Miss Kennedy is the record holder for the 100 (.11.8), 220 (.28.0), broad jump (15-8½), high jump (4-0), and softball throw (134-3) for 14 and over.

Miss Tennant claims standards in the broad jump (12-4) and softball throw (87-2) for 10 and 11. She also ran on the record-setting relay team for 12 and 13.

Sixteen new marks were set in the 20 women's events last summer. Two records for 12 and 13 and two for 10 and 11 remain from 1961.

(14 and Over)
50-Yard Low Hurdles — Susan Henderson, .09.1, 1962
80-Yard Low Hurdles — Susan Thomas, .14.0, 1962

100-Yard Dash — Barbara Kennedy, .11.8, 1962
220-Yard Dash — Barbara Kennedy, .28.0, 1962

440-Yard Run — Florence Buckley, 1.22.0, 1962
880-Yard Run — Cyrilla Walther, 2.59.1, 1962

Broad Jump — Barbara Kennedy, 15-8½, 1962
High Jump — Barbara Kennedy, 4-0, 1962

Shot Put (8 lbs.) — Gayle Voelker, 31-7, 1962
Softball Throw — Barbara Kennedy, 134' 3", 1962

440-Yard Relay — Thomas Buckley, Thelma Townsend, Kennedy, .59.0, 1962

(12 and 13)
75-Yard Dash — Diane Elza, .09.4, 1962
Broad Jump — Florence Buckley, 11-7, 1961

Softball Throw — Kathy McCurdy, 108-8, 1961
300-Yard Relay — Sally Waddington, Loretta Tennant, Barbara Tennant, Diane Waddington, .46.0, 1962

(10 and 11)
50-Yard Dash — Mary Jane Greenlee, .07.0, 1961
Broad Jump — Barbara Tennant, 12-4, 1962

High Jump — Becky Wilson, 3-8, 1961
Softball Throw — Barbara Tennant, 87-2, 1962

200-Yard Relay — Renee Kerr, Cathy Baldwin, Lisbeth Bryner, Tennant, .32.0, 1962

Jefferson-Morgan Rips West Greene

By scoring all its points in the first three quarters, Jefferson-Morgan High was able to remain in the WPIAL Class B race, easily defeating West Greene High 27-0, to eliminate the loser in a game played at Rogersville, Saturday afternoon.

McClellan raced 30 yards for the initial touchdown early in

All West Penn Coaches Back On Job This Fall

All six West Penn Conference head football coaches from last season—in sharp contrast to the trend throughout the nation—are back at the same stands this campaign.

West Penn grid mentors, in fact, can point to a combined total of 44 years in the same post. Divided by six that means an average of 7.33 years on the job.

E. Albert (Al) DeLuca of St. Vincent, has been on the job the longest. The famed after-dinner speaker has 14 seasons under his belt with the Bearcats.

Next comes Harold E. Burry of Westminster (10 years), Byron (By) E. Morgan of Geneva (9 years), and R. Jack Behringer (six years).

Newcomers to the head coaching ranks are Peter Mazzaferro of Waynesburg (three years) and Eddie Hirshberg of Carnegie Tech (two years).

Hirshberg is no stranger at Tech as he spent 11 seasons as an assistant before moving into the top spot. Eddie made earlier coaching stops at Dartmouth, Syracuse, West Virginia, and Scranton.

Two other West Penn coaches made college stops before taking their present posts. DeLuca had experience at Duquesne and Behringer at Wooster.

Burry heads the list in wins (61) and winning percentage (.803). DeLuca is second in wins (59) and third in winning percentage (.584), while Morgan is third in wins (45) and second in winning percentage (.600).

Then comes Behringer (20 wins and .435), Mazzaferro (seven wins and .304), and Hirshberg (four wins and .250).

Overall the six coaches have 196 wins, 141 losses, and 23 ties for a winning percentage of .581.

Burry has never had a losing campaign with the Titans. He had unbeaten elevens in 1953, 1955 (one tie), and 1956, and his club won the West Penn title the past four campaigns.

DeLuca fielded an unbeaten team in 1949 and the Bearcats went on to beat Emery and Henry (7-6) in the Tangerine Bowl for a perfect 10-0 campaign.

Burry and Morgan both played their college ball at the same institutions at which they are now coaching. Morgan ranks as one of the Golden Tornado's all-time fullbacks while Burry was a Titan guard.

the first period. Janco added the extra point with a placement. A 20-yard dash by Burich and a three-yard plunge by Alexander gave the winner two more touchdowns in the second session. Burich ran the point.

Alexander completed the scoring for the afternoon with a 24-yard run in the third and Burich ran his second point of the day.
Jeff-Morgan 7 13 7 0-27
West Greene 0 0 0 0-0

Mikes Undefeated, Meet Turkeyfoot Friday Night

Carmichaels Area took their third straight win Friday night at McClellandtown when they defeated the tough German Township team 21-20.

The Mikes will meet Turkeyfoot Friday night at Carmichaels.

German led in first downs 9 to 6.

Glenn Ellsworth, junior halfback, chalked up two touchdowns for Carmichaels.

The Mikes drew several penalties.

Joe Kuchinsky carried over twice for the Mikes.

The Agriculture Department wants us to use more eggs. As the congressional campaigns get hotter, that will be easy.
