Scranton Elected By 450,000; Clark Wins

WILLIAM W. SCRANTON

An unusually heavy vote polled throughout the state Tuesday swept Republican William W. Scranton into the office of governor. He defeated Democrat Richardson Dilworth of Philadelphia, by a plurality of more than 450,000. This brings to an end eight years of Democrat control in Harrisburg. Incumbent U. S. Senator Joseph Sill Clark, also of Philadelphia, defeated Republican James E. Van Zandt.

Judge Samuel J. Roberts, Erie County Republican, was elected to the Supreme Court, defeating Judge Earl Keim of Westmoreland County.

Raymond P. Shafer of Meadville, defeated Stephen McCann of Carmichaels, for lieutenant governor. Mr. McCann's vote ran far ahead of Dilworth's.

In the race for secretary of internal affairs between incumbent Genevieve Blatt of Pittsburgh, and Audrey Kelly of Susquehanna County, the contest is so close it will depend upon the absentee ballots. They will be counted in ten days.

Dr. Thomas E. Morgan, incumbent Democrat, who is chairman of the House Foreign Affairs Committee, defeated Attorney Jerome Hahn, Republican, for representative in Congress from the 26th district.

Also State Senator William J. Lane of Fredericktown, incumbent Democrat, won over his Republican opponent, Charles Bradshaw of Canonsburg, R. D.

Attorney Albert A. Sayers of Waynesburg, was defeated for representative in the General Assembly from Greene County, by Russell E. Headlee, Democrat.

It was Mr. Headlee's second try.

He had been defeated for the Democratic nomination by Stephen McCann two years previously.

A table showing the unofficial tabulation is published in the first page of this week's Republican.

Following are the results:

U. S. Senator	
Clark, D.	9,563
Van Zandt, R.	6,394
Supreme Court	
Keim, D.	9,438
Roberts, R.	6,285

Scranton, R.	7,455
Lieutenant Governor	
McCann, D.	8,897
Shafer, R.	6,054
Secretary Internal Affairs	
Blatt, D.	9,490
Kelly, R.	6,149
Congress	
Morgan, D.	10,239
Hahn, R.	5,750
State Senator	
Lane, D.	10,073
Bradshaw, R.	5,806
Assembly	
Headlee, D.	10,308
Sayers, R.	5,788

In the nation Republicans also captured governorships in New York, Ohio, Michigan and Oklahoma. Richard Nixon was defeated by incumbent "Pat" Brown in California. Democrats won in Vermont and New Hampshire. Vermont had not had a Democrat governor since the Civil War, but Oklahoma had never had a Republican.

Army Calls 6500 For December

WASHINGTON — The Army has issued a draft call for 6,000 men in December — the highest monthly call since 6,500 were summoned last June.

The announced quota compared with 4,000 previously announced for October and November.

The December call brings to 2,773,450 the total number drafted or earmarked for induction since the resumption of Selective Service in December, 1950.

James B. Sayers, Jr. Killed in Car Crash

James B. Sayers, Jr., son of Attorney and Mrs. James B. Sayers of Pittsburgh, was fatally injured in an automobile crash near Newell, Ohio, Tuesday evening, and died about 8:30 o'clock in the hospital at Lancaster, Ohio.

Young Sayers, who was 22 years of age, was riding in a car with four other students at Denison University. All are hospitalized. The crash occurred shortly after dinner time.

He was a graduate of Shady-side Academy, Pittsburgh, and had attended Denison two years. He had also served two and a half years in the U. S. Army. At Denison, Mr. Sayers was a member of the varsity football and wrestling teams.

His father is a vice president and secretary of Peoples Natural Gas Company and of the parent company of its affiliate units including New York State Natural Gas Company.

Mr. Sayers was a grandson of the late Judge and Mrs. A. H. Sayers, and is the nephew of Miss Catherine Sayers and Attorney Albert A. Sayers, both of Waynesburg.

Surviving are his parents, James B. and Margaret Saxman Sayers, and one sister, Susan, wife of Peter Crane of Santee, California.

Funeral services were held Wednesday in the Shady-side Presbyterian Church, Pittsburgh. Interment in Green Mount Cemetery, Waynesburg.

BOATS INCREASE IN U. S.

WASHINGTON — In 1964 America could boast of some 15,000 recreational boats. By 1947 the number had jumped to an estimated 2,440,000 and by 1961, to 7,175,000.

Hennen Jewelry Store Is Moved

James Hennen, well known Waynesburg jeweler, has moved his store to the Fort Jackson Hotel building on South Washington street. The store is just north of the hotel entrance.

The room has been redecorated, new lights installed and the store presents a most attractive appearance.

Last week while it was still in the former location on the second floor of the Silveus building on High street, the store was burglarized to the extent of \$3,000, all covered by insurance.

The safe was dynamited, but the burglars failed to get in because of tear gas. The safe was completely ruined. However, the burglars took much men's jewelry and accessories from cases.

Fluoridation Seen As Cutting Tooth Decay

HARRISBURG — Fluoridation has cut tooth decay by 59 per cent among 8-, 9- and 10-year-old Ebensburg children, Dr. Charles L. Wilbar, Secretary of Health for Pennsylvania, has reported.

The report, based on a ten-year "double check" survey of Ebensburg school children, is part of the State Health Department's continuing follow-up of the results of fluoridation in Pennsylvania communities adopting this tooth-saving program.

Magic VS Miracles

Maybe you've seen this trick performed by a good magician. He holds three small bunnies in his hand. Presto! Now he has six. Presto, again! Twelve of them now. Another wave of his hand—and there aren't any bunnies left at all!

How does he do it? Well, those baby rabbits are made of sponge rubber, with enough "spring" to enable the magician to flip them in and out of his sleeves.

That's good magic—even though it can be explained.

Now, about miracles. . . .

And without controversy great is the mystery of godliness. I Tim. 3:16

Have you ever seen a child listening to one of the wonderful, old stories of the Bible in his Sunday School? Have you ever marveled at the closeness of a little family worshipping together in church? Have you ever seen men, whom the world gave up as hopelessly and utterly lost, pulled together under the great stimulus of God's written word?

All miracles—and unlike the magician's act, they cannot be explained. But we know who has brought them to pass.

They are the miracles of a loving God.

Electric Cooking Is "White Glove" Clean

Can you think of a cleaner heat than the heat from your electric iron? You safely trust your finest linens to it.

The cooking units of an electric range make heat in the same quick, flameless, dirt-free way. Since there is no flame, the range produces no soot. And that means that kitchen walls and curtains stay fresh and clean. Pots and pans stay bright, too. That's why women rate cleanliness as the Number One benefit with electric cooking. It's actually "white glove" clean.

Just as an electric iron gives you the right heat for each fabric, an electric range gives you the exact heat for each cooking job. There's no guesswork when you put a saucepan on an electric range unit. Not just one, but all four surface units on an electric range are accurately

controlled. You get the same heat from the same setting every time. And there are many heats to take care of different cooking processes.

You'll like the accuracy of the electric range oven because it measures the heat as accurately as you measure the ingredients for a cake. With the controlled heat, exact temperatures and timing of the electric oven, you're sure to succeed—and you get the same results today, tomorrow, or next year.

No other type of cooking can bring you the advantages of electric cooking. In addition to the Number One benefit—cleanliness—women like electric cooking because it's automatic, cool, and truly modern. Why not look at the various models of electric ranges now on display at your dealers?

home after spending a few days with her parents, Mr. and Mrs. Dewey Staggers.

Mr. and Mrs. Robert Burns and children of Waynesburg visited Sunday with Mrs. R. H. Burns and Mr. and Mrs. Warren Scott.

SAFE DRIVING TIPS

KEEP PENNSYLVANIA "THE SAFE DRIVER STATE"

By Using Turn Signals

A new Pennsylvania law makes flashing light turn signals mandatory on all vehicles. Drivers must use them to warn of changes in direction.

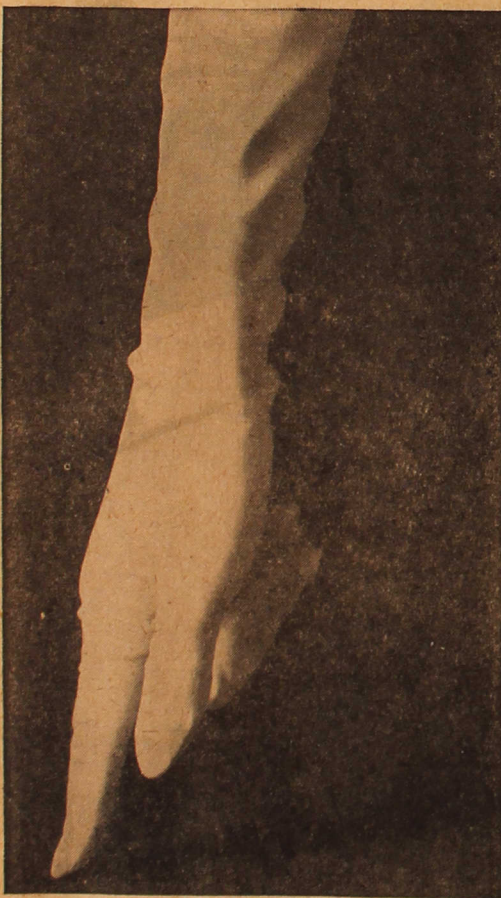

Remember these safe-driving tips:
 Use your turn signal at least 300 feet before turning. Move into the proper lane for your turn. Slow down before turning. Use turn signals when changing lanes or when entering traffic from a parking space. Make sure your signal flasher is turned off after completing your turn.

Only flashing light signals have legal sanction in Pennsylvania. Hand signals may be used to supplement the flashers, and must be used if the electrical system is not functioning.

electric cooking is white glove clean! The best way to describe the cleanliness of electric cooking is "white glove clean." Because it's fumeless, flameless, electric cooking keeps kitchens cleaner. Makes that part of housework a snap. Cooking electrically is a snap, too. All you need is the right recipe; the cooking's automatic. Just set the controls. For cleanliness and cooking perfection, there never was a match for flameless electric cooking. Try it!

Library-Faculty Lecture, Friday

Waynesburg College's first library-faculty lecture will be at eight o'clock Friday night in the library. "Praise of Folly" is the topic of the lecture which is the thirteenth in the series.

Dr. Paul D. Walter, vice-president of academic affairs, will

speak on "Praise of Folly." He received his A. B. and B. S. from Marion College, M. A. from Indiana University, and his Ph. D. from the University of Pittsburgh.

Dr. Walter served at the University of Pittsburgh from 1950 to 1961 in several capacities including vocational counselor and lecturer; assistant to the dean, School of Business Administration;

assistant director of management problems for executives; acting director of the Bureau of Business Research; associate dean of the School of General Studies.

Dr. Walter is listed in American Men of Science, Who's Who in Education, and Who's Who in the East. He is also a trustee of Otterbein College.

"Praise of Folly" by Desiderius

Erasmus, is one of the most brilliant satires in the history of literature. In his masterpiece, Erasmus shows man what he does and what he should do. He spares no one: king, clergyman, aristocrat, or working man.

The public is invited to hear the lecture, and to share with students and faculty in the discussion period and coffee hour which follow, Mrs. May Clovis, librarian, has announced.

Florida Now Attracting Birds

BIG PINE, Fla. — The Florida Keys are looking for new residents and free houses are to be built to attract them.

The residents wanted are purple martins, migratory birds noted for their enormous appetite for deer flies and mosquitoes.

They pass over the Keys in their annual flights northward from Brazil, scientists say, but never have stopped because of a lack of suitable nesting places.

The Keys, which wage constant battle against mosquitoes, are anxious for help from the martins. Plans are to erect bird houses for the migrants near every home on Big Pine Key.

"There are so many different

APPLE MINT ANGEL SHELLS . . . for Thanksgiving Dinner

One thing that makes holiday foods fun is that they generally look the part . . . rich, extravagant, beautiful. That is certainly true of Apple Mint Angel Shells.

The crisp shells are a delicately chewy meringue and made with chopped nuts and broken, buttery crackers mixed through the egg white froth. After the shells have cooled, they're filled with ice cream. Then they're topped with big spoonfuls of green tinted, peppermint flavored apple sauce. And there's your dessert . . . deliciously pretty, a blend of cheyness and meltingness, of crispness and creaminess, the lively tang of apples and peppermint a contrast to the soft delight of the ice cream.

With Thanksgiving dinner in mind, you could bake the shells the day before. And prepare the canned apple sauce. Then at serving time it's just a quick flash to add the ice cream and top with the peppermint apple sauce.

The Shells	The Sauce
3 egg whites	2 teaspoons cornstarch
¾ cup sugar	2 cups canned apple sauce
½ teaspoon vanilla extract	½ cup sugar
½ teaspoon baking powder	15-20 drops peppermint extract
14 scalloped buttery salty crackers	6 drops green food coloring
¾ cup chopped walnuts	1½ pints vanilla ice cream

Beat egg whites very stiff. Gradually add ¾ cup sugar, beating constantly. Add vanilla extract and baking powder. Break crackers into large pieces; add with chopped walnuts. With tablespoon make 6 mounds of meringue ¾ inches in diameter on moistened unglazed paper on baking sheet. Make a deep well in center of each meringue. Bake at 275 degrees, about 50 minutes. Cool. Remove meringues from paper.

Moisten cornstarch with a little cold water; combine with apple sauce, 2/3 cup sugar, peppermint extract and green food coloring in saucepan. Cook slowly, stirring constantly until sauce is thickened. Chill. Just before serving, place ice cream in center of meringue shells. Top with minted apple sauce. Serve immediately. Makes 6 servings.

viruses causing the common cold and so many problems in preparing a potent vaccine," said Dr. Robert H. Parrott, clinical professor of pediatrics at Georgetown University College of Medicine, Washington, and director of the Children's Hospital of the District of Columbia.

He added: "It is unlikely that we will have a vaccine to prevent all common colds."

He said it would be at least a year before a vaccine was perfected to attack the two or three viruses that cause the most severe respiratory tract illnesses in children.

Dr. Parrott participated in a symposium on the status of immunization. It was part of the 31st annual meeting of the American Academy of Pediatrics. About 4,000 physicians and other medical personnel attended the six-day meeting, which ended Thursday.

Prospects for a cancer vaccine, Dr. Parrott said, are "theoretical" and "quite hypothetical." Inoculations for measles may be available in the near future, according to Dr. Saul Krugman, professor and chairman of the department of pediatrics of the New York University School of Medicine.

Dr. Krugman said a vaccine might be licensed by the end of this year, and be in general use within a year after release.

West Penn Lowers Heating Rates

Businesses and industries served by West Penn Power which use electric heating as their only source of interior space heating, may now enjoy lower operating costs under a new rate accepted by the Pennsylvania Public Utility Commission.

This was announced a few days ago by Rudolph G. Lindquist, Jefferson district manager for the utility.

"This rate change will enable many of our commercial and industrial customers to use electricity more advantageously," Mr. Lindquist stated in describing the new all-electric general service rate recently filed by the utility.

"It differs from the rate that normally applies to most commercial and industrial customers in that this is an all-electric rate—one that can reduce the cost of all service throughout the year, as well as lowering the cost of electric heating during the heating season.

"This all-electric feature also means that any increased usage from adding new lighting or electric equipment will come under a decreased operating cost."

With this new rate, West Penn now makes special heating rates available to all classifications of customers—residential and farm, schools and churches, commercial and industrial—according to the district manager. The P. U. C. also accepted three other rate changes of West Penn Power—new provisions for dusk-to-dawn outdoor lights; for high capacity water heating in electrically heated schools and churches; and a new rate schedule for 25,000 volt service reducing the cost for low load factor operations.

Degree Awarded To Mary Pickford

BOSTON — Silent films star Mary Pickford was made a doctor in Humane Letters Sunday by Emerson College.

Dr. Rhys Williams, a college trustee, praised the 69-year-old former movie queen as "one of the most popular and best loved women of history."

"As one of the few great interpreters of the theater, you have taught men to see visions and dream dreams," he said. "To millions of your contemporaries you have symbolized the world as they would have it be."

Betrothal

Mr. and Mrs. Allen F. Hutcherson of Kingston, Pa., announce the engagement of their daughter, Miss Abigail Mason Hutcherson, to Gordon Maskew Fair, Jr., son of Professor and Mrs. Gordon M. Fair of Cambridge, Mass.

Mrs. Fair is the former Esther Mead, daughter of Dr. and Mrs. J. Calvin Mead, who resided in Waynesburg, while Dr. Mead was pastor of the First Presbyterian Church prior to World War I.

Mrs. Hutcherson, a graduate of Wyoming Seminary and Goucher College, is a teaching assistant at Harvard Graduate School of Business Administration.

Mr. Fair is a graduate of Exeter Academy and Harvard College, where he was a member of the Fox Club, Varsity Club and Hasty Pudding-Institute of 1770. He holds a master's degree from Harvard Graduate School of Business Administration and is president of the Overseas Marketing Service. His father is professor of sanitary engineering at Harvard.

The wedding will take place December first.

Caldwell 2nd In National Race Event

Sixty-nine youngsters participated in the boys division of the Age-Group Race Walk program sponsored by the Greene County Track Club in 1962.

Seventeen of the young heel-and-toes were unbeaten against their age mates. Six members of this group competed in a large number of races.

They were Barry Harwick, 16 meets; Bobby Harwick, 15 meets; John Caldwell, nine meets; Dick Morris, eight meets; and Dave Johnson and Challen Matthews, seven meets each.

Sixteen meets—including club and open competition—were available to the youngsters. A total of 203 races were entered by the group which ranged in age from five-through-16.

Highlight of the season was the runner-up finish of the GTC's A team in the fourth annual Youth Development Five-Mile Race Walk on July 4 in Pittsburgh.

Team members were John Caldwell, Francis Buckley, Regis Walther, Tom Cochran, and Buck Haines. Caldwell took second place in the national event.

Waynesburg College will tangle with Lafayette Saturday at two o'clock in Uniontown. This will be the Yellow Jackets' last game of the season.

The Jackets took their second loss Saturday at the hands of Muskingum College, 25 to 6, at New Concord.

The Muskies scored in every period but the fourth and pushed across two TD's in the second quarter. Waynesburg's sole effort was a single marker in the third canto.

The final Muskies touchdown followed Waynesburg's only scoring effort which was highlighted by quarterback Jim Laurent's completion of one of his two passes for 39 yards to Larry Boyer. Paul (The Mole) Stanek barreled over from the Muskies' nine.

The Jackets were outplayed completely. Muskingum had 24 first downs to Waynesburg's nine.

Maples Win Easily Over McGuffey

Mapletown took an easy victory of 25 to 6 over McGuffey Friday night, on the Maples' field. It was their fifth win.

The Maples racked up all scoring in the first half.

McGuffey scored in the fourth when McCreary went over from the six yard marker.

Drew Lewis started the Maples scoring. Then came Machianch, with Lewis tallying the final TD. Mapletown 6 19 0 0-25
McGuffey 0 0 0 6-6

Jeffs Given First Class B Defeat

Jefferson Morgan's Rockets suffered their first defeat in Class B when they lost to South Fayette 33-6, Friday night in Uniontown.

It was not the Jeff's night as they made one fumble after another, and South Fayette was able to take advantage of each one.

Most of the third period was nip and tuck, but Fayette hit hard in the fourth to rack up two more scores.

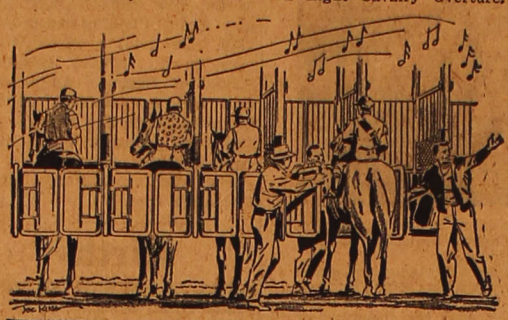

Jefferson 0 6 0 0-6
South Fayette 6 14 0 13-33

OFF AND RUNNING by John I. Day

The "Sound" Barrier

Many years ago the sounds heard around the starter's stand were frequently somewhat censorable. Legend has it that one starter of the old school was once called down from the stand and punched in the nose by an irate spectator who found the starter's instructions to be used within the earshot of women. George Cassidy, who sends the fields away at New York tracks, has brought a new sound to the starter's stand—the sound of music. Cassidy is the son of the famed starter Mars Cassidy and learned his way around horses as a member of his father's ground crew back in the days before stall

gates. He soon came to know his charges reacted better to gentle persuasion. "I also noticed that the horses seemed to be soothed by music on the radio, so I thought I'd try it at the start." It seems to work too. "It definitely eases the tension and nervousness of the horses, particularly those that are somewhat leery of the gate," Cassidy says. This he found particularly true of the younger horses who had but recently been introduced to the starting gate. What kind of music do they like? "We try to keep away from the Twist or Rock and Roll," George, nor has he yet tried the Light Cavalry Overture.

as distant as Minnesota, and pulp supplies from the deep south and far west."

"Reduced freight rates made it possible for many of these supplies to be moved without creating extra financial burdens on the farmers."

"This cooperation by the railroads and by many in the trucking industry has won warm praise from farmers in the livestock industry," Connor said. "Without this kind of cooperation, many livestock growers may have been forced to reduce their herds, or even may have been forced out of business."

"Although the greatest danger has passed, supplies of hay and extender feeds probably will move in nearly the same volume as in the past two months until farmers again can harvest hay crops next spring."

Social Security Tips

By PAUL A. BENNETT

All of us are interested in our financial standing; therefore, we are always checking on our bank accounts, savings accounts, and on our other assets.

The Social Security Administration would like to remind you of another account—one that should be checked from time to time. This, of course, is your social security account. This is especially important if you have more than one employer in the course of a year.

If you are one of the 9 out of 10 working Americans with a social security card, the Social Security Administration is keeping a record of the earnings reported to your account. Year after year for as long as you work in employment covered by the social security law, regular reports of your earnings are sent to the Social Security Administration in Baltimore, Maryland, to be added to your own personal social security record. It is this personal work history that will be used to figure the amount of social security benefits payable to you and your family in the future.

Have you checked your social security record in recent years? Do you know whether all of your earnings have been correctly credited to your social security account? If your answer is "no" to either of these questions, you should take action now.

Your social security office in Washington, Pa., has a post card form with which you can request a statement of the earnings credited to your social security account. You need only fill it out, sign, stamp and mail it. When you receive the statement, check it carefully. If your own records, such as payroll slips, forms W-2, do not agree with the amounts shown on your social security earnings statement, you should write or visit your local social security office immediately. The time in which corrections can be made is limited.

Future Menu: Juicy Pill With All Trimmings

CHICAGO—Scientists can prepare meals in tablet form, but it will be years—even centuries—before the pills will be accepted as a substitute for a thick steak with all the trimmings.

That is the prediction of Dr. Enio Felciotti, assistant director of research of Thomas J. Lipton, Inc., of Hoboken, N. J., keynote speaker at a recent two-day session of the Research and Development Associates of the Food and Container Institute.

The gathering of the military-industrial organization was called to evaluate the world's food needs and likes for the next 20 years. Dr. Felciotti, who said his "mouth still waters at the mention of spaghetti and meat balls," predicted the foods humans would consume in the immediate future would not differ much in taste and shape, but might in variety.

The greatest difference, he said, would be in the food's preparation, its presentation to the buying public, and its ability to be stored for long periods.

"Let us say the concentrated pills fit the nutritional requirements, that they have flavor and the character of sirlin, and once they reach the stomach have a satiating effect," he said. "But I do not believe they ever will suffice."

Dr. Glenn D. Boyd, a researcher for the Campbell Soup Company, of Camden, agreed with Dr. Felciotti. Boyd said he believed the next few years would see spectacular technological advances in the "convenience food business."

"At the same time I predict that 20 years from now humans will be eating much the same food they do today, the difference being in variety, quality and convenience," he added.

FHA Loan Fee Is Raised

WASHINGTON—The Federal Housing Administration Friday more than doubled the maximum fee that lenders can charge homeowners to cover the cost of processing Government-insured home improvement loans.

FHA Commissioner Neal J. Hardy announced that the maximum fee has been raised to 2½ per cent of the amount of the loan or \$50, whichever is greater. The old maximum was one per cent or \$20.

Hardy said the action was based on a field office survey which showed that the old fee "was not sufficient to cover the lender's cost of making the loan."

The new regulations apply to loans made under a 1961 law providing for 20-year advances of up to \$10,000 at six per cent maximum interest.

Mikes Finish Season Undefeated Ellsworth Is County Champ Scorer

Carmichaels Area High School came through the season undefeated as they walked away from Albert Gallatin, 19-13, Friday night at Masontown.

Star studded halfback Glenn Ellsworth scored two touchdowns and an extra point to bring his season total to 139 for an all-time Greene County scoring mark.

Coach Fred Stuvak led the team to its first undefeated season in six years.

Federko scored a TD for the Mikes in the first period.

Ellsworth went across for two. Both Colonial counters were scored in the fourth period. One was on a 23-yard run by quarterback Mickens and the other on a eight-yard pass into the end zone from Mickens to Rifenburg.

Score by periods:
Carmichaels 13 0 6 0-19
Gallatin 0 0 0 13-12

Cameron Takes West Greene 20-0

West Greene went down to Cameron High, 20-0, Thursday night.

West Greene led in first downs, 9-7, but Cameron made their when it counted.

Cameron took a 7-0 lead in the second period, and scored two TD's in the fourth.

The Pioneers threatened in the second period when they reached the 4-yard stripe, but they were then turned back.

Cameron finished with a 5-4 slate. West Greene ended its slate with a 2-6 mark.

Score by periods:
Cameron 0 7 0 13-20
West Greene 0 0 0 0-0

Raiders Go Down To California

California defeated Waynesburg's Red Raiders 12-7, Friday night, at College Field. This gave the Raiders a record of 2-6-1, the worst season since Coach Mike Baker has been the mentor.

At halftime California led 6-0.

In the third period, Waynesburg had the ball on the Trojan's 4-yard line, but failed to go over.

California scored again with only three minutes to go.

California 0 6 0 6-12
Waynesburg 0 0 7 0-7

CHICAGO NOV. 25-29, 1962

BIG 4-H DELEGATION COMES FROM 50 STATES AND ABROAD FOR WEEK OF MEMORABLE EVENTS

An estimated 1,500 of the nation's best 4-H youths travel to Chicago right after Thanksgiving to participate in the 41st National 4-H Club Congress. They are joined by 500 4-H Club leaders, educators, business officials and guests from abroad.

The congress convenes on Sunday, November 25, in the Grand Ballroom of the Conrad Hilton Hotel, headquarters for the week-long event. But delegates begin to arrive as early as Friday. They travel by bus, plane, train, and come from all 50 states, Puerto Rico and a dozen foreign countries.

Keynote at the Sunday afternoon session is a former 4-H Club member, and one who this year is honored nationally as a 4-H alumna. He is the Honorable Buford E. Ellington, governor of Tennessee.

"Citizenship in Action" is the 1962 congress theme. The principle speaker on the theme is Dr. Glenn Olds, president of Springfield College (Massachusetts).

Also talking on the subject is

Expect Many Firsts

The young people have a week crammed with many "firsts" such as meeting prominent U.S. citizens, seeing the internationally-known museums of Chicago, listening to the 106-piece Chicago Symphony Orchestra, enjoying the companionship of fellow 4-H'ers from north, south, east and west.

Perhaps the most valued personal reward is the fact that every single one of the 1,500 boys and girls has all expenses paid. This highly regarded prize is theirs for having achieved an excellent 4-H Club record. In addition, more than 200 delegates go home the richer by a college scholarship.

And how is all this made possible? By the generous donations of more than half a hun-

dred American business enterprises which have consistently supported the 4-H Club program.

Business Helps

Among them are: Allied Chemical Corp., Allis-Chalmers Mfg. Co., American Forest Products Ind., Inc., American Oil Foundation, California Chemical Co., Carnation Company, Coats & Clark Inc., Conrad Hilton Hotel, Elgin National Watch Co., Firestone Tire & Rubber Co., General Motors, Heisdorf & Nelson Farms, Inc., Hercules Powder Company, Homelite and Humble Oil & Refining Co. Also Eli Lilly and Co., Massey-Ferguson Inc., Olin Mathieson Chemical Corp., Oliver Corp., Pure Oil Co., Simplicity Pattern Co., Singer Sewing Machine Co., Standard Brands Inc., Standard Oil Foundation, Inc., Standard Oil Co. (Ohio), Standard Oil Co. (Ky.), Sunbeam Corp., Whirlpool Corp., Cities Service Oil Co., the Milwaukee Road, and the Chicago Board of Trade.

In addition to the above firms, there are more than 20 other private business enterprises working with the Cooperative Extension Service and the National 4-H Service Committee to provide county, state and national awards, and make the annual 4-H congress a reality.

Borough to Run Land Fill With Franklin Township

across one small corner of its dump property to permit the Texas Eastern Transmission Corporation to construct a new pipeline, providing the proposal meets with approval of the borough solicitor and borough engineer.

M. A. Milinovich, borough treasurer, reported the borough is in sound financial condition with indications being that 1962 operations will be within budget limitations set up at the start of the year.

Mayor Roy Shultz reported Deast street was referred to the budget committee.

Council granted a right-of-way partial earnings for October at \$2,438.25, broken down as follows: Parking meter revenues, \$1,917.50; parking tickets, \$175.50; motor fines, \$55; borough fines, \$162; sewer tap, \$75; building permit, \$27, and reimbursement for parking meter damage, \$26.25.

Optomists to Honor Students in High School

Waynesburg Optomist Club will honor four Waynesburg High School students at dinner Wednesday night in the Fort Jackson Hotel.

Harry Thomas, vice president and chairman of Youth Appreciation Week observance, has announced the names of academic students selected for the honor. They are Mildred L. Wolfe, daughter of Mr. and Mrs. Dallas Wolfe, of Mt. Morris, R. D. 1, and James E. Shriver, son of Mr. and Mrs. Elza A. Shriver, of Jefferson. Shriver resides with his brother-in-law and sister, Mr. and Mrs. Robert Elkins, of Waynesburg, R. D. 4.

Sybel Santee, daughter of Mr. and Mrs. Howard Santee of Waynesburg, has been selected to represent girls in the home economics department. William T. Jones, son of Mr. and Mrs. William F. Jones of Spraggs Star Route, was chosen for the vocational agriculture department. All four are seniors.

Each of the students will receive a plaque. Their parents will attend the banquet as guests of the club.

Mr. Thomas said that Youth Appreciation Week will be observed throughout the United States by Optomists International to call attention to the achievements of outstanding young people.

Serving with him on the committee are Robert Keener, John Gusic and Robert Robinson.

2 School Districts For Greene County

One county with two school districts—that's the probable future of public education in Greene County.

The Greene County School Board has submitted a reorganization plan to Harrisburg that cuts the county into two school districts.

One district would include Waynesburg and 14 western townships. The other would include the six townships and five boroughs east of Waynesburg.

The western district would have 4,330 students, the eastern district, 5,100. At present, there are five high schools in the county.

63 of 100 in U. S. Belong to Church

NEW YORK—Approximately 63 of every 100 Americans are members of a church or temple. Most of the others who do not belong to a church have some kind of religious faith, and less than 3 percent say they have no religion.

Whooping Cough Rises Sharply

HARRISBURG—The State Health Department reported Monday a sharp rise in the number of whooping cough cases in Pennsylvania during the first three quarters of 1962.

State Health Secretary Charles L. Wilbar said 576 cases already have been reported—an increase of 155 cases over the same period last year.

However, only one case of diphtheria has been reported compared with 13 in the same period of 1961, and only 10 cases of polio have been reported in contrast with 44 cases during 1961.
