port can be used.

# **Emerald Mine** Sale Completed

the Emerald Mine in West Waynesburg and of Freeport Coal reserves in northeastern Greene County was completed Monday by the LTV Corp. of Dallas, Texas, parent com-pany of Jones and Laughlin Steel Corp. and Youngstown Sheet and Tube Co.

The properties were sold for approximately \$120 million to Emway Resources, Inc., a newly-created subsidiary of

Standard Oil Co. of Indiana's
Amoco Mineral Corp.
LTV also announced that it
expects to complete sale of the Gateway Mine at Clarksville to Emway before the end of September for approximately

One part of the transaction was covered by a deed for \$12 million recorded in the court house in Waynesburg Monday. It covers sale of the approximately 18,500 acres of Pittsburgh Coal in the Emerald field, and the land at West Waynesburg on which the mine is located.

The approximately 37,000 acres of Freeport Coal was acquired through purchase of the Henderson Mining Co. a wholly-owned subsidiary of Jones and Laughlin.

In all, the total active and inactive reserves sold amount to more than 250 million tons

As part of the agreement, the LTV steel group com-panies executed a long-term contract with Emway calling for the purchase of some 36 million tons of clean coal over the next 20 years. The high volatile coal to be purchased will continue to be utilized to help meet the steel group's need for coke, a key ingredient in the production of iron and carbon steel.

carbon steel. While sale of the Gateway Mine and its coal was part of the original package deal with Emway, completion of that transaction had been deferred pending completion of Jones and Laughlin negotiations with the Wheeling Pittsburgh Steel Corp., which owns 22 percent of the mine.

The \$12 million Emerald coal and land deed recorded Monday produced \$120,000 in local realty transfer taxes, with most of it going to Franklin Township and the Central Greene School District since the bulk of the property is located in Franklin Township.

The school district got \$51,546 and Franklin Township The West Greene School District received \$16,008; the Jefferson-Morgan

appearance, Eddy pleaded guilty to escaping from the Greene County Jail on May 26 with two other prisoners.

Eddy and the other fugitives

were captured the next day in Indiana during a strongarm

robbery of a service station.
Eddy plea bargained

through his attorney, Kenneth Tomkins, and offered to testi-

Township \$336; Morgan Township \$114 and Waynesburg Borough \$66.

The Emerald Mines is a new complex which started producing coal in 1977 and will reach full production late this year. It produced more than 750,000 tons of coal in 1979 with a force of 400 employees.

The Gateway Mine has been operated by J&L since 1962 and has some 700 employees.

Last year it produced about 800,000 tons of coal.

In announcing sale of the

Emerald Mine and Freeport coal reserves, Raymond A. Hay, LTV president and chief operating officer, said the transaction "further improves the company's already strong liquidity position." The funds will be used initially to reduce hank debt and for chart town. bank debt and for short-term investments.

LTV is a multi-industry company involved in five basic industries: steel, energy products and services, aerospace, meet and food prod-ucts, and ocean shipping.

# **High School** Vandalism

ROGERSVILLE Greene School District of-ficials estimated damage at between \$4,000 and \$5,000 in a vandalism-burglary of high school early Saturday

In a virtual attack on the building, located off Route 18 just west of Rogersville, the vandals hurled beer bottles through some 18 front windows. Some of the bottles were thrown with such force they smashed against interior

walls opposite the windows.

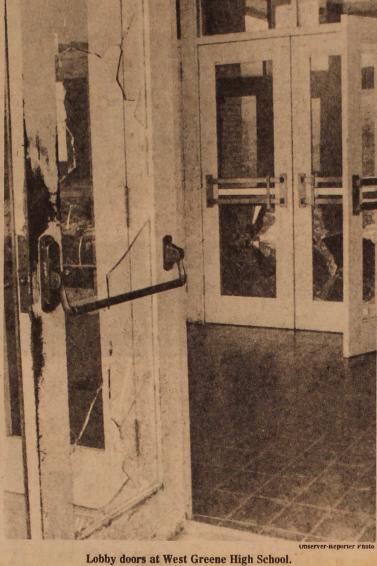

After breaking glass in both exterior and interior lobby doors to enter the building, they smashed glass in two disbefore running from the buildappeared

State police are investigat-ing the incident which occurred at 3 a.m. Saturday.

# Car Stolen

State police are investigating the theft of a vehicle from the parking lot of the Greene Center Shopping Plaza. The tehft occurred between 6 and 10:30 p.m. Friday.

The vehicle, a 1977 black Chevrolet Blazer, is owned by Penny L. Swanson, of Wadestown, W.Va., and has West Virginia license plates

# Central Adopts Budget

The Central Greene School Emerald Mine Board Monday evening adopted a \$7 million budget which calls for an increase of five mills in the real estate tax, boosting it from 70 mills to 75 mills.

The increase is one mill less

Even though the tax increase is less than had been expected, the final budget of \$7,149,766 is \$89,739 higher than the tentative budget. Walter Stout, director of business affairs, said two main factors made this possible. The year-ending balance which was estimated in April proved to be \$61,558 too low, and the district has received a \$51,546 windfall in realty

Approval of the budget came on a 6-3 vote, with board

members Joanne Brookover, Delmont Blue and Warren Bowers voting against it.
"This budget is a little more

comfortable than the earlier one, which was really too tight," Stout said. "But even than was projected when the one, which was really too tentative budget was approved last month, and six at that, more than \$200,000 in mills less than originally discussed when the propagation position and the propagation projection projectio during the preparation peri-

Major increases put back into the budget include an additional \$25,000 for fuel, \$25,000 for other utilities, and \$30,000 for social security and em-

ployee insurance.
The board did decide, however, to eliminate the \$10,650 it has been paying to the Bowlby Library each year to help off-set the cost of operating the \$51,546 windfall in realty county bookmobile, which transfer taxes from sale of the serves schools and com-

who have been est

incarceration.

munities in the district.
"We had to cut school library requests by \$20,000, and the board felt we couldn't justify contributing to a public library when we couldn't afford the things our own librar-ies need," one member said.

No change was made in any of the other tax levies. They include a half percent earned income tax, half percent realty transfer tax, and \$5 per

In other developments at the meeting, it was announced that an impasse has been reached in contract nego-tiations with the district's 80 classified employes, who include aides, janitors, cafeteria personnel, secretaries and others. A state mediator will be brought in to schedule the next meeting.

Of the 80 members, some 35 are year-around employees. Despite the fact that their contract expired on June 30, they will remain on the job and no walkout will be called without ning commission staff.

cially kind to him during his monies required to subsidize the food services program this Mrs. Hogue has been pro-viding art supplies to Eddy,

At its meeting in May, the board hired the ARA Food Management Co. to manage school cafeterias during the coming year in an effort to increase efficiency and stu-dent participation. At Monday's meeting, it approved an increase in school lunch prices to meet federal requirements. Lunches for elementary stu-

nized by Judge Toothman dur-ing sentencing Friday when the jurist recommended Eddy dents will be increased from of high school students from 60 cents to 65 cents. Reduced price meals for eligible students will remain at 10 cents. The price of adult meals will be increased from \$1 to \$1.50

Stout explained that a major problem is the reimburse ment of 80 cents for free lunch es and 50 cents for reduced price lunches. "It is costing \$1.34 to prepare the meals and the general fund has to sub-sidize the difference," he said.

Action was deferred on adoption of a policy on field trips and on a change in students that the description of the state o dent attendance areas for the coming year.

It was announced that the Melvina Haugen Estate Scholarship awards for 1980 have been presented to Dave Berry,

ty commissioners gave a cool reception Friday to a proposal from the county planning commission to apply for a \$47,000

though they did not turn it down flatly, the Greene Counpal project coordinator (Trauth) and \$9,490 to employ a project manager to make the water and sewerage study. It would also include \$2,580 to grant for a county water and sewage study which would insupplement the salary of the planning director for time de-voted in directing the study; clude the creation of a new planning commission position \$2,860 to supplement the salary of the planning comthat of municipal project mission secretary for work done on the project, and \$10,000 for the engineering They also dealt with the continuing problem of the delay in completion of the new county jail, and addressed a consulting services needed for new one involving delay in completion of taxiways which

While the proposal calls for 100 percent FmHA funding with no expenditure of county monies, the county com-missioners expressed reservations and declined to im-mediately approve the application, even though Trauth said it was due in Harrisburg by July 1. They said they would respond to the request at their next meeting, which is scheduled for July 1.

"We continually see a lot of planning and it's time for acplanning and it's time for ac-tion. It seems that the princi-pal benefits go to the people who are planning projects," Commissioner Joseph

The housing study, which is to be completed by Sept. 30, will identify sites in the county need for water 'We're not unmindful of the need for water and sewer fa-cilities in the county; but I struction of housing units to take advantage of an FmHA program which provides 75 percent financing for purchase of the land and site wonder if we don't already have all the necessary information in planning studies which have already been made," Commissioner Richard Cowan said.

In response, Mrs. Cole said that it is the job of the plancommission to plan.

ment the housing study)."

The project budget would include \$11,070 for the municipal project coordinator

ment the housing study)."

me we don't need planning, I wonder what my job is," she said. "We're trying to implement the housing plan but we need your help. This applica-tion, if approved, would give us a person to seek out means

of carrying it out. It was revealed at the meeting that the county has taken action against Harry C. Partridge Jr. and Sons, Inc., West Nyack, N.Y., who has a contract for furnishing and installing equipment at the row. stalling equipment at the new county jail. In the opinion of the county, his failure to carry out his contract within the required time span is the princi-pal cause that other contractors are unable to complete

by the county soliditor that the county will deduct from money due the company damages in the amount of \$100 per day for every day beyond the June 18 completion date, which was a 60-day extension of the original April 18 completion date. "No other extension of con-tract time will be granted," the letter stated.

The commissioners also took action against George J. Frich, a contractor building taxiways to the new T-hangars at the county airport, for his failure to meet specifications in laying drains, which has resulted in a wet ground condi-tion which has made it imrected. As a result, the county has been unable to rent the T-

# Attend the Church of Your Choice Regularly

## Golden Anniversary

Mr. and Mrs. Ora L. Adamson, of Waynesburg R.D. 1, will celebrate their 50th wedding anniversary on Friday, July 4, at a party to be held at the block building at the Greene County Fairgrounds. They were married July 12, 1930, in Wellsburg, W.Va. by the Rev. W.L. Wiggins. A family picnic, planned by their sons, will be held at noon, followed by open house between 2 and 5 p.m. for friends and neighbors. They are the parents of two sons, Jack Lee Adamson, of Waynesburg R.D. 4 and John Samuel Adamson of Garrettsville, Ohio. They also have eight grandchildren, seven step-grandchildren, nine great-grandchildren and three step-great-grandchildren. Mrs. Adamson is a daughter of the late Henry and Daisy Adamson. Her husband, a retired coal miner, worked at Mather mine for over 39 years. Both are members of Calvary Baptist Church.

MR. AND MRS. FLOYD EVANS

# **56th Wedding Anniversary**

Mr. and Mrs. Floyd Evans, of Waynesburg R.D. 6, will celebrate their 56th wedding anniversay on Saturday, July 5, with an outdoor dinner at their home.

Mr. Evans and Mary Taylor Evans were married July 3, 1924. They are the parents of five children, Harold Victor, Thomas Floyd Jr. and Charles William, all of Waynesburg and Juanita Kirby, of Spraggs and Eilene Kirby, deceased. They also have 22 grandchildren and 22 great-grandchildren.

Mr. Evans has been retired for 13 years having spent 25 years with the Pittsburgh Carpenters Local 2274.

He previously worked as a coal miner and farmer and during World War II was a welder at Dravo Ship Yard in Pittsburgh.

They are members of the Church of God at Rolling

# **Public Meeting** Scheduled

CARMICHAELS — The Cumberland Township Planning Commission has scheduled a public meeting for 7:30 p.m. Thursday, July 10, in the township building.

The commission has been reporting since October 1979

operating since October 1979 and is in the first phase of establishing a comprehensive plan for the township and has been establishing tentative goals and objectives.

The commission is now seeking input from the public on those goals and objectives before finalizing phase one of the comprehensive plan.

The nine-member group is headed by Richard Swift and includes representatives from all areas of the township.

Recently the commission signed a contract with the firm of Candeub and Flessig, to serve as consultants.

Local druggests readily re-call when the state attempted Because of new practices and the snail-pace functioning of state bureaucracy, welfare recipients in Greene County will probably be unable to obtain medications from the pharmacy of their choice beginning July 1.

Two prescription dry/"

has announced it will not par-ticipate after June 30.

ticipate after June 30.

McCracken's Drug Store
will join Jesse L. Ross and
Ullom & Baily in refusing to
dispense welfare prescriptions. The other two drug
stores in the Waynesburg
area, Revco and Rite Aid, will
continue to accent welfare

Otting several reasons for their decision, Jack Mc-Cracken and Tom Jackovic of McCrackens Pharmacy re-leased the following announce-

"We are most unhappy with the new welfare contract for prescriptions. As you know, we installed a computer to speed up our service to you. As of this date, the Welfare Detheir low fee, as well as bu-reaucratic boondoggling, we have made the decision to stop this program until such time as the Welfare Department in the state comes up with a more acceptable program. .

Jackovic said in the past several years claims were processed by private agen-cies. Under this program, the state and federal governments shared the costs. Now, however, the state will process the estimated 80,000,000 claims each year and will pay only 25 percent with the federal government powing 75 percent. ernment paying 75 percent.

ures they can save money under the new program but he doubts the ability of the state agency to handle this many claims effectively.

Randall Lee Malanosky, 22, of Scenery Hill R.D.1 pleaded guilty in Greene County Court to driving while intoxicated. He was fined \$400 and placed on probation for 23 months.

The court also held hearings in two cases where persons arrested for motor violations appealed from magisterial

Timothy Cawoski, 18, of Latrobe, who had been found guilty of attempting to elude a police office, pleaded to a re-duced charge of reckless driv-ing and was fined \$25.

charge against Joseph W. Jose, 58, of Lemont Furnace R.D.2, who had been charged with failure to display a registration plate.

just too tough to carry such a huge amount on the books for months. "We have to pay our suppliers by the 10th of each month or we lose our dis-count," Jackovic said. "We could have as much as \$60,000

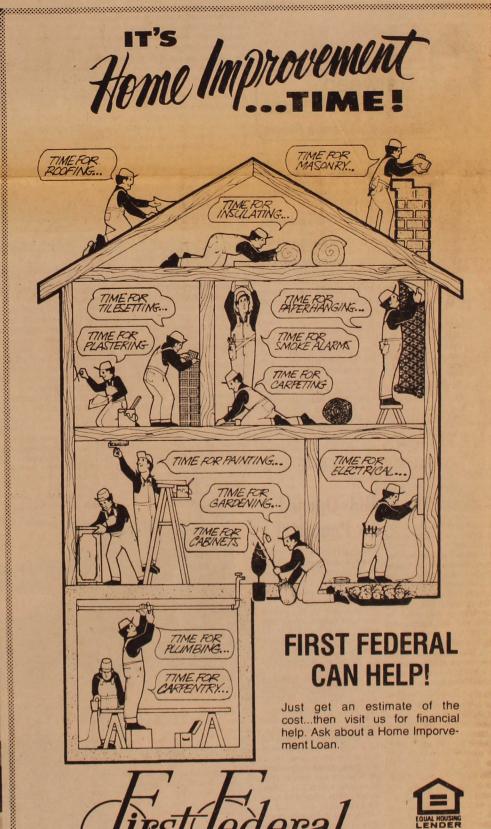

Although 20 percent of their business is with welfare recepients, Jackovic said it was district are protesting the ne Many pharmacies in the district are protesting the new state practices. One area druggist recalled that several years ago the state mailed out blank contracts and expected the pharmacist to sign without knowing what fees would be established.

New forms are reportedly very complicated. Although fees have been increased, the state will now allow a welfare recipient to receive up to \$300 worth of drugs as opposed to a \$13 limit in the past. "This just means more money for the druggist to have tied up with the state," Jackovic said.

**Curry Home Sign Dedication** 

The Greene County Curry Memorial Home sign was dedicated Wednesday. The sign was donated by Garnett Donley, a home resident, and her family. Shown during the informal dedication ceremony in front from the left are: Richard Scott, Mrs. Donley's grandson; Mrs. Donley, and her granddaughter, Stacy Scott. Back: Thomas Boyd, acting administrator at the home; Marlene Etner, director of adult welfare activities; and Mrs. Donley's daughter, Carol Scott.

# Hospital Receives Safety Award

Greene County Memorial Hospital Jan. 12, 1980. has received a safety award for having no lost work time accidents in over 500,000 work hours.

The award was presented Tuesday to members of the hospital's safety committee by Robert F. Zedreck, lost prevention representative, and Mark Reese, account executive, for the Pennsylvania Manufacturers' Association Insurance Company (PMA). The award covers the period from Feb. 12, 1979 to

Memorial Hospital has received the PMA safety award. According to Zedreck, the award was presented in recognition of no time lost by employees on-the-job in spite of minor accidents. He also stated it was highly unusual for a health-care facility to receive the safety award

Mrs. Jean Williams, assistant direc-

tor of nursing, is safety coordinator for This is the first time Greene County the hospital. Serving on the safety committee are Steven A. Mariner, associate administrator; Walter Dulaney, tenance engineer; Mrs. Marilois Hopes, director of housekeeping and laundry; Mrs. Rita Smith, dietitian; Dr. C. Powell, physician consultant; Mrs. Mary Lee Headlee, operating room supervisor; Mrs. Margaret Cott, housekeeper II; Mrs. Shirley Clark and Mrs.

Judy Hoge, both nurse attendants.

# Fourth of July Comeback Welcome Development

It's kind of nice to see that two communities in Greene County are getting back to the idea of celebrating the Fourth of July.

At one time the early-summer holiday was celebrated in every small community, if not with parades and speeches as least with picnics, concerts and other events to bring people together.

In recent years, there have been less and less of them, and a lot of the expectation and fun has gone out of the day.

Several years ago Rices Landing, an old Monongahela River town, came up with the idea of having a River Festival in conjunction with the Fourth. It has proven popular, and this year will begin on Friday and run through Sunday, with contests, plays, concerts, races, a hog roast and a community picnic being some of the features.

Wind Ridge is also getting into the act this year, with Little League mothers in that community being the motivating force. Once they got the idea, churches and other organizations in the town eagerly joined in.

Activities at the Jacktown Fairgrounds will start about 1 p.m. Friday and will include a "challenge" softball game, pony rides and events for children, an evening square dance, and a lot of other attractions.

An old-fashioned Independence Day observance, in the days when we were all younger, was a lot of fun. It's good to know there are people who think it still can be.

**Bids Opened** 

Well, I had forgotten that was to be a "newspaper wom-an." I remember wanting to be an airline pilot, but I forgot

into the newspaper business That's why it came as a surprise when I found proof off this early ambition. In a rare burst of energy—an aberra-tion, actually—I cleaned out the top of a closet. It had

abviously been a long time. In the closet I found a scrapbook which I thought I had never seen before. But the scrapbook had my name on it. And then I remembered. I must have been less than ten years old at the time, but the scrapbook contained my plans becoming a newspaper

Featured prominently was a page labeled "By-lines." I guess I had just discovered what by-lines were. And the by-lines I had pasted on the page were from the Washington Observer. First was "Jess M'Clelland, Observer Sports Editor.'' Then there was Charlotte Adams, William T. Ellis, H. I. Phillips, Mark Sullivan, William Bogart, David Lawrence, and Walter Lippman Most of those were syn dicated columnists, but I don't

By PennDOT supose I knew the diffference

had two heroes then. One of them was of course Amelia Earhart, and the other was Ernie Pyle. In my scrapbook, I preserved Ernie Pyle's last column, written from the South Pacific just before he was killed by a Japanese

sniper. In that column, Pyle wrote Masontown bridge, which crosses the Monongahelia Riv-er between Greene and about the death of another corespondent on the island of Guam. It was a good column—it must have been, to the project was the O. W. B. impress a little kid enough to cut it out and paste it in a scrapbook.

Pyle was a folksy kind of \$1,896,364. There were four

scrapbook.

Pyle was a folksy kind of bidders on the project.

A spokesman for PennDOT here said Friday afternoon that if the bid is awarded it was always and found. than the column, and found "Home Country," one of his early books, in the library. First published in 1935, the book is a collection of his columns written as he traveled around the country and com-mented on what he saw.

The book has a delicious description of Pittsburgh: "Pittsburgh is undoubtedly the cockeyedest city in the United States. Physically, it is absolutely irrational. It is the only city in the country where I can't find my way around, Contracting Co., Inc., of Scotthe only one of which I can't tdale. The low bid was \$72,897. Faces From The Past—Do Your Recognize Them?

The Downey House Corner as the Old-Timers Knew It. (Looking East.)

Although a plan is underway for a renaissance of downtown Waynesburg buildings it is not expected to go back as far as the town's High Street looked in the early part of the 20th century when the above photograph was taken. This scene goes back to the time before the former Downey House Hotel, which was burned in 1925, had been built. Note the courthouse in the background. The photo is the property of Paul Barlow, former Waynesburg resident who now lives in Florida.

# Fact and Folklore

John O'Hara

The sun ripened, rippling fields of golden grain which have fattened livestock herds onGreene County farms since the early 1800's are doomed to a much less important role in the fiture of the county's day-

Also, the lush green shades of the county's famous blue grass pastures on which thoroughbred race horses and the much larger draft horses were fed is also doomed to be "Gone with the Wind" in the future of this most southwestern county of the Keystone State.

These facts surfaced in bold relief at this week's meeting of

related support industries.
It is estimated that a generfriend had lived there six years, and all he had ever figured out was how to get "You may have a friend woh lives half a mile away, but to get there you circle three miles around a moun-

> Eventually they replaced the Indians, cut the gigantic forests, and converted them into homes, barns and other buildings, and tamed the wilderness of scrub trees and briars into productive farming lands with a fine public school sytem and establishment of

Aside from the grain and livestock farming the county was completely rural until development of its oil and gas deposits from 1900 onward and until the first large scale deep new mining

the county commissioners when much attention was centered on discussion of a pro-posed federally-funded housing project under supervision of the Farmer's Home Administration to meet the initial influx of the thousands of others that will follow them to man the new coal mines and

ation from now they will make the county's present rural character as obsolete as the Indians who lived her prior to the initial settlements by those who first crossed Allegheny Mountains from the Old Dominion Commonwealth of Vir-

coal mines were opened at the Mather and Nemacolin and a smaller one at Crucible that were created in the early These made little impact

except in the immediate area in which they were located, as did the other mines which have since followed, including the gigantic U.S. Steel Robena mine, the Gateway mine near Lippincott, and some of the West Virginia based mines along the Mason-Dixon line through which much Greene County coal has been mined for many years and to a greater extent during the past

In the immediate future for the transformation of Greene County to an industrial area is a large-scale housing project to be developed at a still un-designated location under Act 601. It will include housing and sewerage systems.

In Greene County's history up to this time the lifestyle has been predominantly rural with land ownership as one of its chief status makers.

Historians from the earliest days have extolled the early settlers of the county for their self-sufficience and self-reliance. They were law abiding but fiercely independent, a virtual unanimous army of those holding to the precept sytem and establishmen churches of many denominations to serve their intellectual were bossed around in political spiritual needs.

group of leaders as has often been the case in the larger cities and states.

Improved all-weather transportation between the metropolitan areas of Pitts-burgh, mainly by Interstate 79, has shortened the distance from downtown to Mt. Lebanon from 60 miles to a matter of considerably under an hour

The demand for even the most remote tracts of land in Greene County continues to grow despite the high prices of both land and gasoline for those who still prefer to com-mute to work, and will bring hundreds more newcomers to all sections of the county.

The vast family-owned land dynasties in Greene County, many dating back to the Revo-lutionary War with deeds written with ancient quill pens and bearing the signatures of either the governor of Penn-sylvania or that of an even earlier governor of Virginia, are long since gone and will never return. Greene County has 3,692,280

acres of land, much of it hilly or cut into narrow ravines and to steep for cultivation. But many of the newcomers will not depend on the land for their living, including some already living here. IOnstead they will be seek-ing a change of lifestyle from the intensities of cities and

the intensities of cities and cramped suburbs with houses fronting on streets and being bedeviled at night by witless drivers of souped-up vehicles.
Those who have not trav-

eled over the charming town-ship lanes of Greene County will be surprised when they make their first trip and sudtype homesteads-mostly of wooden construction\_are springing up right in the middle of isolated fields which even the pioneers ruled out of bounds because of being "too far from the highway.

or slag could easily change a mudhole into an access road in a matter of minutes

And some day, perhaps sooner than most people re-alize, the rippling fields of grain, the lush bluegrass pastures and the lonely hollows and hilltops where the excited yelps of generations of raccoon and hounds once echoed will be populated by an army of "organization men' of Pittsburgh based industrial and commecial corporations, and Greene County's pioneer image will have faded to the exact shade of a bond sales man's grey flannel suit.

# Cathy Scott Weds Michael Brewer

The Windy Gap Church of God at Aleppo was the setting for the marriage on Saturday, June 7, 1980, of Cathy Elaine Scott and Mishael C. B. Scott and Michael S. Brewer.

The double-ring service was performed by the Rev. Douglas Witt, with Carolyn

Hughes as pianist.

The bride is a daughter of Mr. and Mrs. Gene Scott of Aleppo. The bridegroom is a son of Mr. and Mrs. Harold Brewer of Spraggs.

The bride, given in mar-riage by her father, appeared in a white silk organza gown with Venice lace creating a scoop neckline, with fitted bodice and tiered ruffle sleeves. The chapel-length train with lace accented flounces fell into a full circular sweep. She wore a lace headpiece to match her veil and carried carnations.

Linda Fonner attended the bride as maid of honor. Bridesmaids were Suzy Brewer, Lori Scott and Corina Hoy. They wore gowns in various pastel shades.

Steve Brewer of Waynes-burg served as best man. Ushers were Scott, Garry and Grey Brewer.

A reception for 100 guests was held in the Aleppo Brethren Church social building, with out-of-state guests attending from Ohio, West Virginia and Maryland.

The bride, a 1977 graduate of West Greene High School, is employed at the Pizza Hut in Waynesburg: Her husband, a 1973 graduate of Waynesburg Central High School, is em-ployed by the R. A. Matteucci Distributing Co. in Dry Tav-

BIBLE SCHOOL HELD

# Mayle, Crayne Altoona Site **Vows Taken For Wedding**

The First Christian Church of Waynesburg was the setting for the wedding of Cindy L. Mayle and William Joseph Crayne. The Rev. Kenneth Thomas was assisted by the Rev. Jack Fowler in performing the 2 p.m. double ring ceremony on June 14, 1980. Mrs. Earlene Fowler was the organist and Joe Ross the

The bride is the daughter of Mr. and Mrs. Donald W. May-le of Waynesburg R. D. 1. The Pauline Crayne of Waynesburg R. D. 1 and the late Herbert H. Crayne.

The bride was given in marrige by her parents. She work white organza gown of Chantilly lace featuring a high neck, sheer lace yoke, lace bib, long sheer sleeves with lace cuffs, satin ribbon at the waist and with satin ribbon and silk flowers falling from the waist. Double lace ruffles trimmed the hemline of the full skirt and chapel train. A lace cap accented with pearls held a chapel length veil of imported illusion edged with lace. She carried a bouquet of white roses, stephanotis, baby's breath and ivy. Her only jewelry was a cultured pearl and sterling silver necklace, a gift from the bridegroom.

Janice Mayle attended her sister as maid of honor and wore a yellow gown. The flow-er girl was Kim Mahle, cousin of the bride, who wore a green gown. Brion Vandruff served as

best man. Shaun Woods was the ring bearer. Ushers were Pat McNeely and Ronnie George Lippencott.

George Lippencott.

The reception for 200 guests from Harrisburg, Erie, Pittsburgh, Ohio and West Virginia was held following the ceremony in the Waynesburg Firehall. Assisting in serving were Elaine Wood, Betty Walters, Carol Corrick, Vivian Bedosky, Debbie Keith and Judy Wood. Crista Mayle was in charge of the guest book

in charge of the guest book.

# **CFBC Seeks New Members**

A food cooperative ori-ginating in Waynesburg through the Community Action Corporation is seeking additional members.

The Community Food Buying Club (CFBC) needs broad participation from its members on all levels, such as deciding where to purchase food, what the requirements for membership should be, handling bookkeeping and ordering, and weighing, pack-aging and pricing orders.

Because of its experimental nature, much of the decision making for the CFBC to date has come from the Community Action staff, with the result that the CFBC is more of a social service than a true cooperative.

A membership meeting will be held at 7:30 p.m. Thursday, July 10 in the Bowlby Library at Waynesburg to officially or-ganize the CFBC.

# **FFA Members** Visit PSU

Members of the Waynesburg Future Farmers of America chapter attended state FFA Activities Week at Penn State University earlier this month.

Mike Belding, Patty Cole, Gary Bennett and Rodney Phillips participated in statelevel judging contests, Greg Statler represented the local chapter in the state FFA band.

## University of Pittsburgh and Wendy Miola West, daughter of Mr. and Mrs. Mod S. West Jr. of Waynesburg her master's degree as a coun-selor from Indiana University R.D.5, and Gregory Alexander Luciow, son of Mr. and Mrs. George P. Luciow of Slickville of Pennsylvania. The bride-groom graduated from Clarion State College and received George P. Luciow of Slickville R.D.I., were married Satur-day, June 21, 1980. The double ring service was performed at 11 a.m. by the Rev. John W. Henry in the Pleasant Valley Church of Christ, Altoona. Betsy Rutter of Altona was the soloist his master's of education degree from Pennsylvania State University. Both are em-

ployed by the Hollidaysburg Area School District. Christ, Altoona. Betsy Rutter of Altoona was the soloist.

She was born July 12, 1896. in Davistown, a daughter of Andrew and Sarah Stewart Beall and was married to Ora

Surviving are a daughter, frs. Marie Daugherty of Fla., and four sons, Ralph of Bentleyville, John R. of Waynesburg, Ora Donley Jr. of Oakdale, and Harry, somewhere in Pennsylvania.

## Emphasis was on safety and correct wood harvesting practices at a "heating

with wood" workshop held Monday in the Buhl Hall auditorium at Waynesburg College.

More than 120 persons, most of them from Greene and Washington Counties. attended the workshop which was cosponsored by the Washington-Greene Community Action Corp. and Greene County Extension Service.

Featured speaker was Dr. Walter Johnson, Penn State Extension forest resource specialist, who spoke on the harvesting of firewood and on the safe installation of wood-burning stoves.

He said that wood should be cut from nine to 12 months prior to its being burned so it has ample time to dry, and should be at least four inches shorter than the shortest dimension of the stove

It should be split to expose as much surface area as possible to facilitate drying, and should be stacked so as to allow air movement through the pile, and for this reason should not be stacked tightly against a wall. He said that only the top of a wood pile should be covered coming down the sides of the pile only to the first layer of wood. One-inch sapling pieces rolled up in the sides of the cover help stabilize it on the pile.

Dr. Johnson also stressed there are "no safe short cuts" in installing a wood burning stove, and noted that asbestos board has been removed from installation recommendations since it is suspected to be carcinogenic

He said that clearances between combustible walls and the stove should be 36

inches, with a clearance of 18 inches between stove pipes and combustible ceilings. These clearances may be reduced by using reflective metal sheets spaced out one inch from the walls or cilings, but that ends of the sheets should not be sealed which would impede the free air flow behind them

Places Emphasis On Safety

'Heating With Wood' Workshop

Stoves with legs which are two inches or less in length should not be installed on a combustible floor, regardless of the covering. Legs two to six inches in length should be placed on hollow masonry bricks turned on edge with the holes lined up to allow air flow. If the legs are more than six inches long, the stove may be installed on masonry brick laid flat on the floor.

'Of course, these restrictions do not apply if the stove is installed on a floor with no combustible material in it, such as a poured concrete basement," "Floor protection should extend to 18 inches on all sides of the stove.

Dr. Johnson said another vital area is where the stove pipe passes through a combustible wall. One recommended installation involves use of an AUL-approved "all fuel" thimble extending through a hole four inches larger than the diameter of the thimble. Another is use of a ventilated thimble with a diameter at least three times larger

than the stove pipe.
William Wentzel, district forester based at Waynesburg, discussed respon-

sible harvesting of firewood.

He suggested that straight growing trees which are free of defects be retained as "crop" trees if they are from 15 to 20 feet apart. Less desirable trees

located between crop trees can then be harvested for firewood.

Wentzel cautioned against neglecting wildlife when harvesting wood. Live trees with holes that serve as dens should be left standing, and some decaying trees should be left because of the vildlife food supply they harbor. He said that he is available to help land owners manage their woodlots wisely.

Craig Roberts of Waynesburg, a chimney sweep, emphasized the importance of using dry wood and of opening up air-tight stoves occasionally to reduce creosote buildup. He also spoke of the proper maintenance of chimneys as being important to both heat efficiency and safety:

Frank Gressley, administrative coordinator at the Greene County Voca-tional-Technical School, discussed various types of wood-burning equipment and stressed the need for additional programs on home energy alternatives

Jerry Beasley, speaking on behalf of the college, said he was encouraged by the response to the workshop, and expressed the hope that other educational activities of interest to the community

It was announced that a working model of equipment to be used in the production of gasohol will be demonstrated at 2 p.m. Sunday, July 13, at Ryerson Station State Park by Ron Duke, park superintendent. A tree identification of the production tification and woodlot management program by Wentzel and a chainsaw safety program by Pat Wachter of the Garden Spot, Waynesburg, will be held at 6 p.m. Monday, July 21, at the Jacktown Fair grounds, Wind Ridge.

How do you figure my monthly payment?

you for those kilowatthours at the current rate. Each time we read your meter - normally every two months -we update your past 12months' usage, replacing the usage figure for the same period last year with your latest usage.

By always using your latest 12-months' usage, the plan automatically adjusts to changes in your use of electricity. As a result, your monthly bills may fluctuate slightly.

How do I sign up for the plan?

Just call the West Penn Power office serving vour location. Converting to the Average Payment Plan, however, could take up to two billing periods, depending on the date requested and the date we bill your account.

That's why we urge you to sign up for the plan before next winter, especially if you're an electric heating customer. Then you'll avoid the possibility of paying one or two high winter-use bills.

For a free copy of our "Average Payment Plan" folder, contact the West Penn Power office serving your location. Or write West Penn Power, c/o The Electric Consumer's Corner, Cabin Hill,

Greensburg, PA 15601.
