Coal Miners' Jamboree Sings The Blues

By Stan Diamond, Staff Writer

MATHER — Once again Jefferson area businessman turned country music jamboree promoter, Jack Litten, has had to scurry to seclusion from the disgruntled fans when his second annual Greene County Coal Miners' Jamboree twanged to an early conclusion here this weekend.

Billed as "the biggest ever," the two-day Labor Day weekend country music extravaganza studded with name stars such as Margo Smith, Conway Twitty, Loretta Lynn, Helen Cornelius, and many others drew only about one-fourth the needed attenby late afternoon performers and sup-port personnel began pulling out because they had not been paid.

By 1 p.m. Saturday, Litten could

not be found on the 79-acre jamboree site located on the Barbetta family farm just outside the village of Mather. And on the jamboree stage the Dog Run Boys, a band from the Pittsburgh area, seemed to be tiring from filling in for acts that wouldn't perform without pay.

Barbetta also had it announced that campers were welcome to stay at the site and would not have to pack up and leave that night.

"Most of the people took it very well," Ms. Markley said Sunday. "They just picked up their lawn chairs and started walking back up the hill to their campsites. It was just a group of about 25 or 30 people who had been drinking that caused the problems. They started demanding

Those 25 or 30 people also caused state police to use the precaution of calling in extra patrols from the Washington and Uniontown areas just in case they were needed. As it turned out they were not. Arts Council Makes Plans For New Year

CARMICHAELS - The board of directors of the Greene County Council on the Arts met last week to make

plans for the coming year.

The first class of the fall season will be weaving taught by Anita Selway of Washington. The class will begin Sept. 19 in the Greene Academy of Art. For additional information, call 966-7466.

The architecture committee reported that progress is being made on production of a booklet on Greene County architecture. Members of the committee have been taking photo-graphs of outstanding homes in the county and hope to have the booklet ready for publication later this fall.

It was also announced that Greene County has again been selected by the U.S. Steel Foundation to host residencies by two affiliate artists.

Laura Hunter, a saxophonist, will be in the county from Dec. 3 through Dec. 16 and Joseph McIntyre, a per-cussionist, will be in residence for

three weeks in April and May.

They will perform for schools and community groups in all parts of the county. Although the major part of the funding for these programs will come from the U.S. Steel Foundation, Arts Council members said they will Another major program sponsored

Peter Wargo, a well-known artist from Pittsburgh, was chosen for the program by the Pennsylvania Council on the Arts after a series of interviews and evaluation of his work.

Wargo will open his studio at the Greene Academy in October with a public exhibition and reception. He will teach classes for high school students and will teach classes for adults at the academy.

He will also make presentations to elementary schools and to com-munity groups or clubs and will be available for other artists to watch

The arts council is also preparing slide presentation which will feature the works of local artists and activities of the arts council.

The slide show will be available for presentation to group meetings beginning in September and may be scheduled by calling the arts council at 966-2731 or 966-7466.

College Gift

Waynesburg College has received a major donation from ALLtel Corp. to be used to support programs at the college. Gordon Curry, center, vice president for ALLtel telephone operations from Waynesburg, makes the presentation to Dr. J. Thomas Mills, college president, left, and Dr. Richard S. Cowan, vice president for development. Mills said the gift was one of several important gifts made by area businesses in recent weeks to support college programs

Sister Celebrates Her Silver Jubilee

GREENSBORO — Sister Joseph Marie Verska, a member of the Holy Family Church, Greensboro, recently celebrated her silver jubilee as a cloistered passionist nun at Our Lady of Sorrows Convent, Pittsburgh.

She is the daughter of the late Mildred Gonda Verska of Greensboro and John Verska of Michigan. She is a 1958 graduate of Mapletown High School and entered the convent in

Members of the Rosary Altar Society at the Holy Family Church sponsored a bus for those attending the celebration.

The convent, a two-story brick building in Carrick, features opaque windows with metal lattice.

The 2 p.m. Mass was celebrated by the Rev. Vincent Segotta with 14 cocelebrants and three passionist novitiates. Among the celebrants were Monsignor Donald Kraus, former substitute pastor for the Holy Family d St. Ignatius churches; the Rev. Thomas Cassidy, former pastor of the two churches and now at St. Titus in Aliquippa, and the Rev. Daniel Dixon, pastor of the two churches. The Mass was sung by Sister Joseph Marie and

13 other nuns without instrumental accompaniment.

The gospel was read by Dixon and the homily was offered by Segotta, who compared the life of Sister Joseph Marie to the life of women in the outside world.

Following the homily, Sister Joseph Marie renewed her vows for 25 more years and read the intercessions.

At the offertory of the Mass, the gifts of bread and wine were presented by Steven and Kevin Daniel. sons of Steven and Elizabeth Daniel of Dilliner who are god-children of the sister.

Kessler said the move to combine certain operations affects about 2,200 individuals, but added that no de-cision has been made about the employees affected.

"No announcement has been made on personnel," he said. "That's still under review and I don't know how they'll operate."

The Frick District is headquartered in Uniontown and Kessler said the maintenance and timber shops in Leckrone, Filbert and Ever son in that district will also be merged

with the new Northern District.
The internal consolidation was made late last week and Kessler said there was no specific reason given other than the company's desire for greater administrative efficiency and to be more competitive in the market

County Commissioners Hear Report On Activities Of EMS

County Commissioners, at their regular weekly meeting held Thursday, praised the recently reorganized Emergency Medical Services office.

Robert Demchak, director of the county's EMS office, presented a report of activities in 1984 and drew praise from commission Chairman

L.R. Santore.

During the first quarter, the EMS office recertified units at Cumberland Mine, the Rices Landing and Clarksville volunteer fire companies and gave new certification to the Emergency Medical Transport Ambulance and the Nemacolin Volunteer Fire Department ambulance service

Also during this period, the EMS director made several visits to groups such as the Boy Scouts, Girl Scouts and public schools to explain the seroffered. As the result of EMS, 25 individuals received basic certifications, 16 received refresher recertifications and 11 received M.A.S.T. certifications. Also, 16 persons attended the Life Flight Safety Program at Allegheny General Hospi-

- Received word the Adult Services Block Grant from the state will

be \$54,627 for the 1984-85 fiscal year.
The county will receive \$41,600 from the U.S. Department of Agrical-ture for the 1984-85 fiscal period. Forty percent of the money will go to the unemployed, 30 percent to those receiving medical assistance and 30 percent to food stamp recipients. The grant represents a \$5,000 increase over last year.

Received word the state Department of Public Welfare has earmarked \$1,239,928 for mental health community services, \$65,494 for mental health social services and \$769,752 for mental health ADM in the Washington-Greene programs during the 1984-85 fiscal year.

Additional allocations will be made later in the year for new chil-dren's residential programs, new Mental Health/Vocational Rehabilitation projects, new Mental Health/Aging demonstration projects and for non-categorical expansion

Received a request from the Retired Senior Volunteer Program for a donation for its program. The request was tabled for further consideration when the new budget is reviewed this fall.

Fire Dispatcher Davis Signs Off

The Jefferson native joined the radio crew on Aug. 5, 1961, shortly after the new fire hall was dedicated. At first, he was hired as an extra man and then after working on the midnight shift for several years became the "day" man. Over the years, he has handled thousands of emergency calls including vehicle and plane crashes, all types of medical emer-gencies and hundreds of fire alarms, both major and minor.

His fire company work is far removed from the vocation for which he was trained.

He holds a master's degree in music after attending New York University, Columbia University and the Julliard School of Music. For two years, he taught instrumental music at Jefferson-Morgan High School.

His musical career includes stints with some of the most famous orchestras in the big band era. He played saxaphone, flute and clarinet with Benny Goodman, Percy Faith, Artie Shaw, Hal McIntire and many other lesser known band leaders

For two years, he played in the Paramount Theater pit orchestra for the long-running "South Pacific," which at that time starred Enzio Pinza and Mary Martin.

famous Roseland Ballroom. His career in New York City lasted from 1950 through 1960, and he said he never got off Manhatten Island for three years. His favorite band leader was Artie Shaw, who he called an intellectual musician.

He also played with the Band of America for radio broadcasts sponsored by Armco. At one time he was teamed with Waynesburg trumpet player Johnny Wilson with the Benny Goodman band.

Davis returned to Greene County in 1960 because of a death in the family and decided to "chuck" the New York life and remain at home. For five years, he was employed by the late Stoy Sorber in remodeling

Country Music Jamboree Has Undistinguished Run

Greene County's second annual Coal Miners Jamboree will undoubtedly be the last.

The country music celebration which had been scheduled for last Saturday and Sunday was cancelled midway through the first day when promoter Jack Litten of Jefferson disappeared, leaving a lot of people unpaid, including performers, concessionares, security people and others who had contracts to provide services.

Two of the stars who had been billed for Saturday — Billy "Crash" Craddock and Helen Cornelius — did perform even though they were not paid and that took away some of the disappointment for the 5,000 or so fans who turned up on the first day, even though the evening show was called off. But those who had tickets for Sunday got nothing for their money.

Even through this year's show had two commercial spon-

sors, the obvious problem was a lack of cash flow to cover the cost of the acts and other expenses. At least 20,000 people were needed at Saturday's show to hit the break-even point.

Most of those who were there came from a distance. One woman said she had spent \$1,000 to come from Texas. There were quite a few campers from far away states and from

But local people avoided the event. It could have been because it was not promoted locally, but more likely it reflected bad experiences with the 1983 show when a lot of local people were not paid for the services they provided.

From all reports, the event was well organized and well set up and could have been a success if the attendance had reached expectations. The one good thing about the fiasco was the behavior of the crowd in a situation which could have turned

The promoter will have a lot of questions to answer, compounding the problems he still faces from the 1983 show.

In light of the stellar list of performers who were scheduled, the event was billed as the "World Series of Country Music." With the batting average it has had in two successive years it is sure to be benched for good.

trial of Harvey A. Shekerko, 31, of Waynesburg was to have started Tuesday morning but the defendant fired his two attorneys, throwing the court calendar into chaos

Shekerko is charged with the beating death of four-year-old James E. Caldwell on March 21. The victim was the son of Linda Caldwell, who was living with Shekerko at the time.

When Judge Glenn Toothman asked if counsel was ready to proceed, defense attorneys John Stets and Robert Clarke asked to approach the bench and then informed Toothman they had been dismissed by

Stets said he and Clarke disagreed

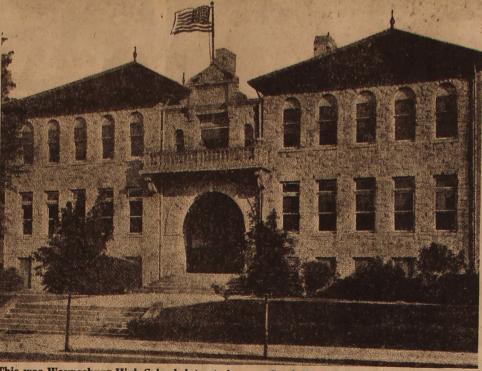

with Shekerko on the manner and strategy of the defense. "It was simply a matter of irreconcilable differences." Stets said.

Shekerko told the court he had met recently with attorney Paul Get-tleman of Pittsburgh and the wellknown defense attorney had agreed to take his case. Neither the court nor the two former defense attorneys had received official notification that Gettleman had taken the case

Toothman asked the prospective jurors to return to the courtroom at 9:30 a.m. Wednesday.

District Attorney Charles Morris said his office was not ready to proceed with another trial because they had planned on the Shekerko trial lasting for several days.

Franklin Township Sewer Authority OKs Budget

WAYNESBURG - There will be no rate increase for the 600 customers in the Franklin Township Sewer Authority area this year according to a tentative budget unanimously approved Tuesday night.

Rates will remain unchanged in the West Waynesburg Sewer District but customers in the Bonar Sewer District will pay an additional 25 cents per thousand gallons of water

Expenses for the 1984-85 fiscal year are expected to be \$643,876 with \$192,000 going for debt service bonds. Administrative costs will be an estimated \$85,200, with operations costing another \$76,000.

Following a fiscal review, it was believed the authority could operate for the next two years without a rate increase. Future rate hikes, if neceswill be determined by the

growth factor in the township.

Rates in the township proper will remain at \$10 for the first 1,000 gallons of water used and \$5 for each additional 1,000 gallons. In the West Waynesburg district, residential and commercial customers will continue to pay \$7.50 and \$15 per month. Bonar customers will pay \$1.25 per thousand

In other action

- The authority received notice the state Department of Environmental Resources had approved holding tanks for the Coallick 2 housing development. Holding tanks will be used only until the public sewer is extended to the development.

Formally adopted a new holding tank ordinance which will control the installation and operation of holding tanks

The traditional Labor Day closing of county swimming pools brings to mind the days when hundreds of Waynesburg kids got all of their swimming in Ten Mile Creek, particu-larly at "The Trestle" in West Waynesburg.

It was a far, far cry from an ocean beach or even a modern swimming pool with filtered water, life guards, and expert instruction. It was a true melting pot for all the fellows around town who wanted to take a dip, some of whom became quite expert, others who were fair to medium, and others who just went for the fun and companionship.

It was a mingling place, too, for college boys from out of town and home towners and the big group of boys from West Waynesburg as it was right in their backyard where they could exercise a sort of sense of

Scholastic Football Results

WAYNESBURG — They could have spent all night carting the oxygen tank out to Jefferson-Morgan High School's Dave Jamison, but he was never in one place.

The multi-talented junior was all over the field. It seemed like he never left the playing surface.
Understandably, by the end of this exhibition struggle for the bragging rights to Greene County, Waynesburg was tired of seeing Jamison.

He didn't do it all by himself, but he did have an awful lot to do with Jeff-Morgan's 26-6 win over the Red Raiders in both team's opening game of the scholastic football season Friday night.

Jamison rushed for 143 yards on 28 carries and scored two of the Rockets touchdowns. He also played a mean linebacker, kicked, and received kicks. His stock should be soaring in Jefferson. Jefferson.

Ricks. His stock should be soaring in Jefferson.

One prime investor is J-M head coach John Bayer.

"We had to get to get some semblance of a ground game," Bayer said, while balancing the excitement of winning his opener and the effects of a nasty cold. "He's (Jamison) a hard, hard runner. He runs hard and quick. He's strong, too."

Very few from Waynesburg will disagree. The Raiders were chasing him all night.

In all, Jeff-Morgan rushed for 171 yards, Jamison doing most of the work, but the figure was a bit misleading. The reserves, which Bayer sent in with about four minutes to play, did a lot of backing up.

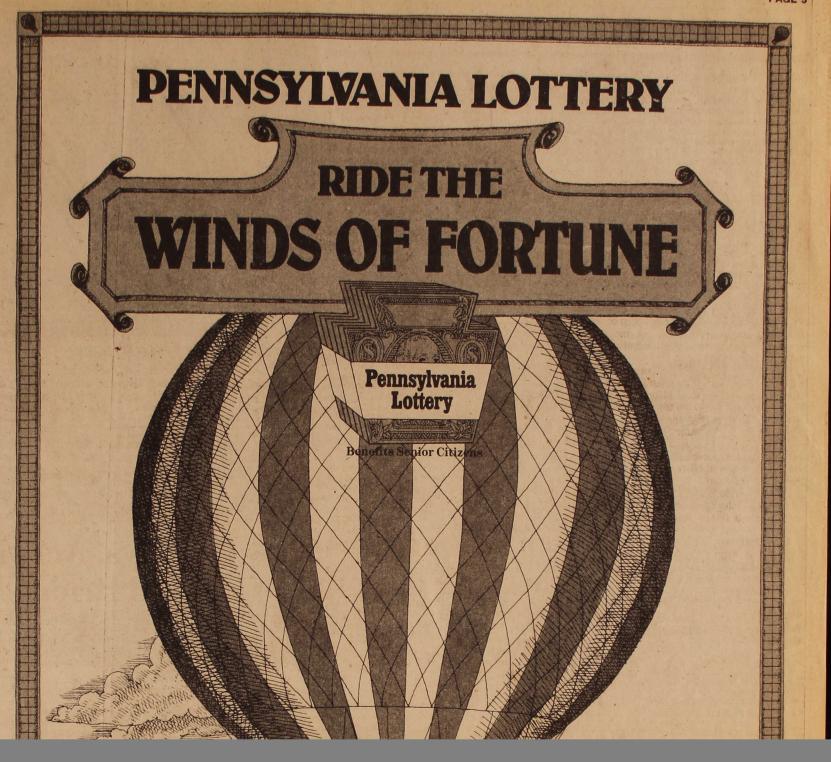

Still, it was a good showing for a team with a 22-player roster.

Jeff-Morgan's start was a little shaky. After driving 56 yards to the Raiders' four, the Rockets were stopped on a fourth-down-and-goal play.

A \$4.2 million federal sewage construction grant for the Lower Ten Mile Joint Sewer Authority in northeastern Greene County has received state certification to the U.S. En-

vironmental Protection Agency.

The grant is part of the state's nearly \$200 million in sewage construction programs this year.

Following certification by the state Department of Environmental Resources, the grant is usually approved by the EPA within 45 days.

The announcment of state certification was made over the La-

Nicholas DeBenedictis. "This con-struction grant program gives the commonwealth a double benefit by reducing pollution and providing needed construction-related jobs," he said in the announcement. "With upcoming reductions in federal funding levels, it is imperative that we carry out as many of these projects as possible this year.

It was noted the federal share for sewage construction projects will decrease from 75 to 55 percent beginning in October
